Consul x Platina by Piano II Pr H
Owner/Breeder: Katie Moriarty, On Course Riding
Academy

The Top Fives are not yet finalized. If you see what you think is an error,
please contact the office and let us know.

With the onset of specialization the Top Ten was changed to the
Top Fives and contains the top results in each of the five Breeding
Directions: **Dressage, Jumper, Hunter, Gelders and Harness.**

To qualify for the Top Fives, horses must earn a First Premium or Star
rating in the inspection classes, or a passing score in the IBOP classes.
This means that horses with Register A papers being inspected for
studbook are not eligible for inclusion in the Top Fives unless all
requirements have been met.

Placement of mares, geldings and stallions is based on: a) on overall
Linear score (Conformation and Movement/Jumping) and b) on the
score for movement or jumping. The results of the Keur Conformation
classes for Star mares are not used in determining these rankings.

Keur Eligibility status is used as a tie breaker in the case of a large
number of mares in the Top Fives.
