## 2013 KEURING REPORTS

### Claybrook Farms – Ithaca, MI

September 7, 2013

Hosts: Susan Taylor and Waino Pihl

Jury: Bart Henstra from the Netherlands and Lana Sneddon from Indiana.

Today's keuring was at the pleasant Claybrook Farms.

#### Jumping

We started with the 3-year old jumper mares. Three mares received their ster predicate. The top mare of the class was **Frodea** (Indorado keur x Prodea keur by Corland keur, owned by Claybrook Farms and bred by B. Agema). Frodea is a mare with functional conformation and quality legs. She jumped with good technique and showed athletic scope to earn her keur eligibility. Frodea scored a 77.5 in the Claybrook Farm Cup and is currently leading the 3-year old division.

The careful and now keur eligible Bugatti VDL daughter **Famorka W** (Samorka ster by Goodtimes, owned by Claybrook Farms and bred by J.A. Zwaving) showed a good overview at the fences with quick use of her front leg, she could open more in the haunches but showed sufficient scope. In the Claybrook Farm Cup Famorka W scored 76 points.

The long-lined mare **Fin Chin L** (Boss x Win Chin L keur by Chin Chin erkend, owned by Claybrook Farms and bred by G.J. Lucas) has good length of stride in the canter combined with her consistent and scopey way of jumping. This earned her the ster predicate.

#### Dressage

Best dressage horse was the well-developed and long-lined Contango pref daughter **Feikje Balia P** (Zebalia SHB ster IBOP/dr by Flemmingh pref, owned and bred by Klaas and Mares Vanderploeg). With her well-developed withers she showed uphill tendency in her movement. Her supple trot showed good reach in the front leg and her always carrying hind leg makes every step balanced. Her very adjustable trot earned a 9! A powerful canter showed good balance and self-carriage. This beautiful mare earned an 80 for conformation and movement.

The dressage yearling **Harmony BHF** (Jazz pref x Vixen by Ferro pref, owned and bred by Richard Morse Jr. of Beacon Hill Farm) earned a first premium. This long-legged filly has a nice shaped neck, and a well-proportioned body. At this age she still is somewhat high in her croup, but Harmony showed a supple and light-footed trot.

Best young jumper horse was **Irusa CBF** (Atlantic x Orusa keur by Indoctro pref). This filly has a long, muscled neck, well developed withers and a sloping long shoulder. She has correct quality legs and showed her light-footed balanced canter.

*Ersina*

*Reports from the Road generally feature first premium or 'stand-out' horses.*

The only horse being presented in the IBOP received the ribbon for best adult jumper horse. The well-developed **Ersina** (Carolus II x Resina ster by Burggraaf pref) previously earned her keur eligible predicate and with passing the IBOP (78 points) she received her keur predicate. This scopey chestnut showed good rideability and good technique. She started to improve her jumping when the fences were raised and scored an 8.5 for her scope.

### **First premiums**

#### Jumper Foals

Irusa CBF (Atlantic x Indoctro)
