## 2013 KEURING REPORTS

### Legacy USA – Burr Ridge, IL

September 8, 2013

Hosts: Mary Lou Moskal & Tracy Geller

Jury: Bart Henstra from the Netherlands and Lana Sneddon from Indiana.

This was the first time that Legacy USA organized a KWPN keuring at their beautiful facility. Host Mary Lou Moskal was very supportive and the pony club helped keep the keuring moving.

The keuring started with the jumper IBOP. The elegant ster mare **Elcorda** (Indoctro pref x Lacorda keur by Concorde pref; owned by Lisa Jerkins and Marcel vander Burgh, bred by A.W. Weis) with her quick and powerful take off. She is careful and shows sufficient scope but can improve in her rideability. She passed her IBOP with 76 points and receiving her keur predicate, Elcorda earned the ribbon for best jumper of the keuring. In the Claybrook Farm cup Elcorda scored a higher score of 78.5.

The correctly build, well developed Kannan daughter **Quartz F.M.** (out of Colett by Losander, owned by Tracy Geller of Six Pound Farm and bred by Bayard) received her ster predicate as a 13 year old. This scopey mare opened well in her haunches and had a balanced canter. Quartz is registered with the sBs and was eligible for inspection because the sBs is now an Erkend studbook, and since her sire Kannan is erkend by the KWPN she can be accepted into the studbook and become ster without further requirements.

**Eliana JP** (Jazz pref x Liana keur by G.Ramiro Z pref, owned and bred by Peggy Mills of JP Farm) is a modern dressage horse. This elegant mare has good expression but could be more developed. She has an active and quick use of her hind leg. The trot is supple and uphill with good technique that earned an 8. Her canter is light-footed. Eliana JP got her ster predicate and became keur eligible. She also received the ribbon for best adult dressage horse at this keuring.

The well-muscled **Imalottie SPF** (Zavall VDL x Ulottie by Goodtimes, owned and bred by Tracy Geller of Six Pound Farm) earned a 1st premium in the jumper foals class. Imalottie has a good topline and is powerful in her movement.

*Intotal*

*Reports from the Road generally feature first premium or 'stand-out' horses.*

Top dressage foal was the Totilas son **Intotal** (out of Winnythepooh JSF by Riverman, owned and bred by Yvonne Sue Carr of Carr Farm). This correctly built foal has a well-muscled, vertical neck and a good body. Intotal showed sufficient length of stride but could be more carrying in his hind leg. Intotal was the best young dressage horse at the keuring.
