

These remarks are for a snapshot in the lifetime of these horses. We encourage owners and breeders to attend keurings whenever possible for further evaluation of their horses, their breeding goals and breeding directions.

2013 KEURING REPORTS

Prima Equestrian – Mount Albert, ON

September 10, 2013

Host: Michelle Bartlett and Roy Maher

Jury: Bart Henstra from the Netherlands and Lana Sneddon from Indiana.

The keuring at Prima was hot, not only temperature wise, but also in the quality of the jumpers. Hosts Roy and Michelle kept the keuring rolling at their beautiful and well maintained facility.

Best adult jumper horse at Prima was the 4-year old **Echinidee** (Chin Chin erkend x Orchidee ster prok by Contender erkend, owned by Prima Equestrian and bred by D. Noordhuis). Echinidee is a full sibling to the Dutch jumper champion at the National mare show, a mare called Chinchinidee. With a powerful, quick and upward take-off Echinidee showed her scope. This athletic mare is long-lined and has a beautiful topline. Echinidee opened well in her haunches and seemed to be really careful. With an 8.5 for her reflexes, Echinidee earned her ster predicate and became keur eligible. She also took the lead in the Claybrook Farms cup with 81.5 points!

The prok studbook mare **Debutante** (Capone I x Winsome by Idocus crown, owned and bred by Alexandra Eaton of Willowgate Farm) passed her IBOP jumper with an overall score of 78. This elegant mare excelled in her rideability (9). Debutante was really consistent in her performance, jumped with good technique in her legs, showed sufficient bascule and good scope. At her original studbook inspection, Debutante was eligible for ster with a passing IBOP. With her success at this keuring she passed her IBOP and received her ster, keur and elite predicate in one day. Debutante scored 78.5 in the Claybrook Farm Cup.

Fuegobanta (Indoctro pref x Onlybanta by Celano, owned and bred by Maya Polson) also received a high score for the Claybrook Farm Cup. Although Fuegobanta is small, she jumps with good athletic scope and quick reflexes. With her quick use of her front leg and her opening in her haunches, she earned an overall score of 77.5 in the CBF Cup.

Good results were also achieved in the young horse classes. Best young jumper of the keuring was the really well-proportioned **Invincible P-FBH** (Cardento erk x Rolanda elite by Ahorn pref, owned and bred by Prima Equestrian). Invincible shows a very good jumper type conformation, with a beautiful topline, well-developed and long withers and a well-shaped long croup. His canter shows good length of stride and is balanced. With an overall score of 81, Invincible P-FBH takes the lead in the North American jumper foal class.

The 'Ribbon Girl' at Prima

Reports from the Road generally feature first premium or 'stand-out' horses.

The ribbon for the high scoring Gelders type went to the colt **Ivy League** (Paganini crown x Adessa keur by Koss pref). Ivy League shows good Gelders type conformation. This long-lined foal has a well-muscled vertical neck and a long flat croup. His movement is supple, powerful and shows good length of stride but could be more lifting in his front leg.

The well-developed 2-year old jumper gelding **Glowstick P** (Balou du Rouet x Rolanda elite by Ahorn pref, owned by Cheryl and Chris Mayberry, bred by Prima Equestrian) has lots of expression, a great topline and a long-lined athletic body. He is correct and very lean in his legs. With a high score of 82 on his attractive conformation, Glowstick P also shows supple gaits and sufficient leg technique.

The only dressage horse of the keuring received a 1st premium. The well-developed and strongly muscled dressage yearling **Hocus Pocus P** (Uphill x Odette N keur pref by Houston keur, owned by Catherine and Darren Cole, bred by Prima Equestrian) showed powerful movement with sufficient reach.

High Society led the class of yearling jumpers. This gelding, by Orame x Risacci (Old) by Riverman, is well developed and has good expression. His well-shaped neck is connected to a long wither. High Society has good length of stride and is supple in his gaits.
