Pennock Point Sport Horses	45
Blalock Lakes	49
Owners of Horses Entered	52

PS. Please note these results are a work in progress, they may not be complete and will be updated as information comes in.

2010 JURY MEMBERS

Bart Henstra

Bart Henstra has been a KWPN jury member since 2003. In 2005 he became the inspector in training for the province of Friesland. Early in 2007 he became the regional inspector for Friesland, taking the place of Hennie Boersma. Bart has been the KWPN inspector (mares and stallions) for Scotland since 2005. In 2007 he joined the jury in North America.

Bart earned a Bachelor's degree in Agriculture from Wageningen University in 1995. He is on the management team at Wadro, a company that makes rebar for the construction industry.

Bart and girlfriend, Patryck Adema, have been running Stal Henstra – a breeding and training facility with about 60 horses, since 1996. They breed both jumping and dressage horses and usually have about 10-12 foals per year. Their breeding products have competed both in Holland and in other countries.

Their best known mare lines are the well-known 'Sina' line and the line of the approved stallion Rolex. They were the breeders of Zanzibar (Special D x Pretendent), who placed 3rd at the 2007 Stallion Show championship keuring. Bart is an active competitor at ZZ level.

Toine Hoefs

Toine Hoefs has been a licensed KWPN Breed judge and KWPN inspector for over 25 years. As an inspector, he annually views the top mares, foals and sport horses in Holland. Toine judged the Breed Show at Dressage at Devon in 2004 and in 2005 was chosen as the presenter and clinician at the USEF Dressage Sport Horse Judges Seminar in California. In 2008, he was one of the judges of the Pavo Cup competition in Holland in 2008, and is the Breed Inspector for the province of Brabant in Holland.

Toine has been operating his own breeding farm, Stal Hoefs, in Erp, Holland since 1982. He has supplied mares and young horses to breeding farms all over the world. He advises people on developing foundation stock for breeding programs and is talented at spotting gifted foals and youngsters. The following are some examples:

? The Dutch bred stallion Juventus (Dublin/Aphrodite), Reserve Champion in the Stallion Show and in the 70-

Day Test, Holland and Grand Champion Stallion at Devon in 2000

? Sagacious (Welt Hit II x Cocktail), the 2002 KWPN Dutch Stallion Show Reserve Champion Dressage Horse and the 2007 Individual Silver and Team Gold Medal Winning horse at the Pan American Games with Lauren Sammis and currently showing very successfully at Grand Prix

? Williams, the highest placed gelding at the 2008 Pavo Cup in Ermelo, Holland, and the United States Young Horse Candidate for the Young Horse World Championships in Verden, Germany, in 2008

? Saigon (Democrat x Juventus), winner of the 2007 Prix St. George Challenge, ridden by Margot McAllister

? Uptown (Kennedy x Ubis,) the 2004 KWPN Dutch Stallion Champion and Dutch 70-Day Test Champion

? Washington (Rhodium x Jet Set), the 2006 KWPN Approved Dutch Stallion

? Adamo (Sandreo x Pion), owned by Toine Hoefs, Kathy Connelly, and Frenk Jespers. Bought as a foal. Approved KWPN in 2008 Stallion Show.

Faith Fessenden

Faith Fessenden has bred sport horses for 30 years in both Europe and the USA. As a founding member of the North American Department of the WPN (now KWPN – Royal Dutch Studbook) in 1983, her focus became pedigree research, foundation breeding-stock documentation and the study of the KWPN selection system during a decade of bi-annual trips to the Netherlands (videos, interviews and study with breeders, judges and riders).

Having received a 'Certificate with Commendation' from a judging program in Holland, Faith has been a Jury member of the KWPN-NA for their breeding inspections since 2005. A KWPN-NA Educational Seminar presenter, she also conducts 'Selecting and Breeding Sport Horses' regional courses.

Other education includes courses on 'Anatomy, Biomechanics and Gait Abnormalities', veterinary seminars on orthopedic soundness, USEA Developing

2010 JURY MEMBERS

Event Horse Seminar, USEF Hunter Breeding Courses, USDF Learner Judges Courses, and DSHB Program.

Faith's own breeding program produced several KWPN keuring champions in both Holland and the USA as well as youngsters in the KWPN-NA's 'Top Ten'. Performance sport horses bred from her mares have been successful at Adult Amateur Grand Prix Dressage, Jumping at national levels, and Advanced 3-Star Eventing (short-list for Sydney Olympic Games) - depending on the stallions used. Her mare base included three Gelders star and keur mares; a ster, preferent prestatie mare by Amor, an Elite Farrington daughter, and currently a "Bria" line (Doruto x Amor) studbook mare.

Dr. Deborah P. Harrison

Dr. Harrison, from San Juan Bautista, CA, is a graduate of Colorado State Veterinary School and an equine veterinarian with special interest in reproduction and an FEI veterinarian.

Dr. Harrison is a former competitor in dressage, hunter/jumper and combined training. She has been an active participant in sporthorse breeding classes and inspections. She has been a breeder of Dutch Warmbloods since 1982.

Dr. Harrison is an USEF Dressage and Sporthorse Breeding Class Judge and a licensed breeding class judge in Holland. She was a member of the KWPN Keuring jury in North America from 1992 through 1994 and then again from 1999 to the present. She is also an American Vaulting Association "R" judge and an FEI "C" judge.

Dr. Harrison was a member of the NA/WPN Board of Directors for 20 years, a term which ended in December of 2003. Dr. Harrison is also the KWPN-NA Consulting Veterinarian.

Lana Sneddon

Lana Snedden, from LaGrange, IN, has been involved with horses from an early age. Her parents ran a quarter horse racing farm that later changed to Standardbred racing. She has participated in training of Thoroughbreds and Quarter horses and has shown hunters, eventing and dressage horses. Buying, selling,

raising and training of horses has been a large part of her adult life.

Lana began breeding Dutch Warmbloods in 1987, using top stallions as well as regularly upgraded mares. She has produced a number of first premiums, many of which have ranked in the Top Ten. In 2004 one of her breeding products was the winner of the DG Bar Cup for 3 and 4 year olds. In 2004 Lana also bred, trained and rode her own mares in the IBOP test to become keur.

Lana also trains dressage horses under saddle. Presently she is bringing along young dressage horses from her own breeding program to compete in the FEI young horse classes. In 2005 she competed in the FEI Young Horse Championships for five-year olds with her mare Tamora (s. Ferro).

Lana has served on the Advisory Board, hosted the 2001 and 2004 Indiana keurings and was appointed to the KWPN keuring training program in 2002.
