

These remarks are for a snapshot in the lifetime of these horses. We encourage owners and breeders to attend keurings whenever possible for further evaluation of their horses, their breeding goals and breeding directions.

2012 KEURING REPORTS

Blalock Lakes – Newnan, GA

Hosts: Sandi Lieb

Jury: Bart Henstra - Netherlands, Lana Sneddon - Indiana.

At the beautiful facility, Blalock Lakes, Jos and Laura Sevriens hosted the Keuring in Georgia. Good weather conditions supported the keuring for a good presentation of the horses.

Dressage Mares

The day started with the Dressage IBOP where two daughters of Rousseau received passing scores. We've watched both mares since their first successful presentation as foals in Alabama. Breeder/owner Julie Ballard Haralson received applause for tackling the ride on her big framed *Evelina HF* (out of Resina keur by Flemmingh) scored 75 points in the IBOP and DG Bar cup for her good posture and rideability.

Her elegant half-sister *Ezabella HF* scored 78 points and showed her talent with supple and light-footed gaits. She impressed with her powerful and clear walk, good use of the hind leg and the use of her body during the whole presentation.

Later both mares were presented for studbook entry and both flew through that to the ster predicate and the keur eligible status. Added to their passing IBOPs and PROK certificates, there are two new elite mares at Haralson Farm. Evelina HF was honored as Best Adult Dressage horse at this keuring.

Jumping Mares

Best Adult Jumper mare was the long-lined, Register A mare, *Eclipse SCF*. Having fulfilled all her veterinary requirements, she entered the studbook, earned her ster predicate and was deemed keur eligible. Eclipse SCF (Balou du Rouet out of Nova keur by Consul), full sister to Judgement-ISF, was bred by Dr. Carlos and Karin Jimenez and is owned by Amanda Lorinc. She has powerful gaits, and a well-balanced canter. Eclipse SCF jumps upward, has enough reflexes and good arc in her jumping. She also is scopey and careful.

Reports from the Road generally feature first premium horses. More complete results will be published at a later date.

Young Horses

This keuring concluded with the classes of the young dressage horses. Two yearlings earned a first premium, with the gelding *Got Rhythum* in first place. Got Rhythum (Negro pref out of Prima Donna sport/dr by Donnerhall) bred and owned by Cecelia Stewart, has an elegant uphill build with a good top line. His powerful hind leg in the trot makes him a potential top dressage horse with a lot of ability for collection.

The expressively moving *Genevieve HF* (Winningmood out of Bonbini elite by Oscar, bred and owned by Julie Ballard Haralson) placed second with the remarks that she should be longer-lined and more elegant in order receive higher scores.

Top foal of the keuring and best young dressage horse was again bred and owned by Julie Ballard Haralson. *Harriet HF* (Uphill out of Deodora HF ster by Jazz pref) is a very good dressage type, is long legged and has an uphill confirmation with well developed withers. She is very supple in movement with good bending of the joints.

Next stop, Florida.
