## 2012 KEURING REPORTS

### Iron Spring Farm – Coatesville, PA

Hosts: Mary Alice Malone, ably assisted by Meghan DeGaray  
Jury: Bart Henstra - Netherlands, Lana Sneddon – Indiana and Deborah P. Harrison - California.

Two days at the great facilities of Iron Spring Farm and super weather both days were a welcome relief from the record breaking highs on the west coast. The keurings started with the riding IBOP classes, DG Bar Cup (dressage) and Iron Spring Farm Cup (jumping).

#### Jumping IBOP and ISF Cup

Switching from jumper to hunter breeding, *Cheval Bronze VF*, bred and owned by Pamela and Nicholas Volpone, passed the hunter IBOP with 76.5. This hunter-mare by Indoctro pref out of Oyez ster by Idocus crown, jumped with good technique and form during the test. Her smooth rideability easily gave a good hunter test. The next day, this long-lined elegant mare, received her star and keur-eligible predicate. These designations combined with the passing IBOP score gave her not only the keur, but also shot her to the top of the breeding direction as Best Adult Hunter/Jumper horse at this keuring.

Top scoring horse of the ISF Cup was *Dancing ISF*, by Consul out of Nerrita J ster pref by Jetset D, bred and owned by Iron Spring Farm. Dancing ISF has a well-balanced canter and showed quick reflexes in jumping. Employing very good bascule, she scored an enviable 77 points.

#### Dressage IBOP and DGB Cup

This year again, the 5-year old *Citation ISF* was the highest scoring horse in the DG Bar Cup. Citation ISF, (Contango pref x Saigon elite by Jazz pref) bred by Iron Spring Farm and owned/ridden by Alex Robertson, impressed the judges with his very active and supple walk, his good posture and his balance in the canter. These, plus his rideability brought in an overall score 78.5 points. The supple *Charisma LH* (Sir Sinclair x Raquel DG ster by Ferro) received the second highest score of 75.5.

*El Paso ISF* (UB40 x Toscane ster pref by Cabochon keur) bred and owned by Iron Spring Farm, was presented for stallion approval. With his very clear and active walk, he received 77 points in the IBOP and DG Bar Cup. This score made him the best 3-year old horse in the DG Bar Cup. Next day El Paso ISF received his star predicate. He will be further evaluated with the stallion committee in Holland per the required process for a stallion.

#### Mature Horses - Dressage

The Best Mature Dressage Horse went to the gelding, *Eclipse ISF* (Sir Sinclair out of Rabiola keur pref by Métall) bred and owned by Iron Spring Farm. Eclipse ISF was convincing enough in his conformation with his elegant type and long legs. In movement he showed good expression, was supple with more than enough reach in his foreleg.

## Young Horses

The large dressage foal class had a championship round with three foals. Champion foal was *Hollywood S.E.*, Ampère x Showbiz by Jazz, bred and owned by Siegi Belz-Fry. The filly's powerful movement combined with a long-lined body and good top-line gave her the first place ahead of the beautiful, modern dressage type Heavenly ISF. *Heavenly ISF*, a full sister to El Paso ISF, is graceful and light-footed in her movement, but could show more power. Third place in the championship round was for the well developed and leggy *Hadar MCF* (Sir Sinclair x Pandora elite by Goodtimes) bred and owned by Lisa Schuler. Hadar MCF has good leg technique, good bending of the joints and moves enough uphill.

The well proportioned colt *Hero* became champion of the jumper foals and has a good modern jumping type. His sire, Werner H, is known as Imothep H.S. in international show jumping at 1.60m level. His dam is Siena, a ster mare by Idocus. Hero is bred and owned by Ashley Seufer. The colt's well-developed withers and sloping shoulder support his good body-use in movement. His canter is balanced and powerful. In second place was the long lined filly *Harlow LJS*, (Laroche x Melesta ster by Hemmingway). Harlow has correctly built conformation and correct stance of the legs. Her canter is supple and has good length of stride.
