2011 KEURING REPORTS

Bosch Farms – Red Deer, AB

Hosts: John and Jacqui van den Bosch.

Jury: Bart Henstra-Netherlands, Lana Sneddon, Indiana and Dr. Deborah P. Harrison, California.

We arrived late into Calgary (9:40pm) and proceed to the car rental only to hear we have NO CARS! We said “we have a reservation” and the nice man behind the counter replies “ Yes and I am sorry but we have NO CARS”. We must have looked desperate because he said well I have a TRUCK you could take if you bring it back tomorrow. I said...WE WILL TAKE IT”! We arrived at our hotel around midnight.

The next morning it was a nice drive out to Bosch Farms and the highlight was seeing the moose alongside the road. Even though the sun was shining it was a brisk morning with a bitter breeze and jackets were going to be needed today.

When we arrived at Bosch Farms we were greeted by the keuring hosts John and Jacqui van den Bosch. This is a new facility that is laid out well with attention to detail.

Jumping IBOP

First on the schedule was the Jumping IBOP of the Aangewezen (selected for the stallion performance test in Holland) stallion Bosch Blue (registered name Bovona). Bosch Blue (owned by John van den Bosch of Bosch Farms LTD and bred by A. van de Broek) is a 5 year-old stallion by Cantos out of the ster pref mare Pavona, sired by Mr. Blue. Bosch Blue was well presented by the talented rider Femke vd Bosch. This grey son of Cantos jumped with very quick and powerful take off, has a good technique and showed good scope. With a total score of 80 in IBOP and ISF cup Bovona was the best adult jumping horse of this keuring. After the keuring Mr Bosch showed the jury and spectators 8 foals from the stallion Bosch blue, giving additional information to further evaluate him as a stallion candidate.

Dereusa S, the 3 year-old daughter of Numero-Uno pref out of Utareusa elite by Calvados x Le Mexico keur also did a convincing jumping test. The canter had good length, and good balance with an active hind leg. She was quick in the take off but could have opened more in the hind leg. Dereusa S had good scope, attitude and rideability convincing the jury she was a talented jumper Scoring a 79 for her test and after a successful Stb/Star presentation later in the day Dereusa S Became a Keur mare.

Foals

The jumper foal class champion was the colt Gallup WF by Hickstead out of Rosalie by Ramiro’s Son II, bred and owned Bruce and Sharon Telford of Woodlawn Farm. He was well developed with good muscling in the top line and showed good balance in his supple canter.
