## 2012 KEURING REPORTS

### Wyngate Equestrian Center – Walworth, WI

Host: Sara Krause

Jury: Bart Henstra - Netherlands, Lana Sneddon - Indiana.

2012 marks the first time a keuring has been held at Wingate Equestrian Center, hosted by Sarah Krause. Though chilly weather greeted us, the welcome by this host and participants was friendly and warm in this pleasant facility.

#### Dressage Horses

The day started well with the first IBOP Dressage test of 4-year old *Dalanta MG* (Johnson out of Valanta elite by Goodtimes, bred by Fam. Luimstra) owned and ridden by Abby Onsgard. This tall, uphill built, long legged and elegant mare showed great posture and balance, especially in her canter. She has a very good use of her neck in all her supple gaits. In addition to her canter, the uphill balance incorporated good length of stride and technique. Dalanta MG is very supple in her transitions and is easy to collect. Combined with her good rideability this mare scored 80.5 for her IBOP and DG Bar Cup, receiving 8.5 for canter, self-carriage & balance. Later in the day this mare also earned her ster predicate with 80 for conformation and was designated keur eligible, thus attaining her keur predicate. Dalanta proudly wore the Best Adult Dressage Horse ribbon of this keuring.

Also receiving his ster predicate was the 3-year old *Eragon* (Goodtimes x Nirvana ster by Fleming) bred and owned by Larry and Kathy Childs of Crooked Post Farm. This scopey gelding showed good ability for jumping with very good use of his haunches. Eragon has quick reflexes and good scope but was somewhat forward in his take-off.

#### Young Horses

Best Young Dressage Horse, *Hollister* (UB40 out of Nirvana ster by Fleming) bred and owned by Larry and Kathy Childs. Hollister has a good dressage conformation: uphill and long legged with a well-shaped long neck. He showed good technique in movement, but could be more supple. In second place was the pinto UB40 filly, *Himalaya SF*, out of Nemels elite by Samber, bred and owned by Amy Sabino of Sabino Farm. Another good dressage type, this filly has good technique in her gaits, but could add more suppleness and powerful for higher scores.

Best Jumper Horse of the Wyngate keuring was *Hottie Lottie SPF* (Parco out of Ulottie by Goodtimes) bred and owned by Tracy Geller of Six Pound Farm. This filly exhibits much expression, is well developed, long lined, has good proportions and is well muscled. Hottie Lottie SPF has an active trot, but could be more balanced in her canter.
