

Nominations for 2010 KWPN-NA Special Awards

These awards recognize the outstanding achievements of KWPN-NA members and horses. Please take a few moments to nominate a member or horse that is best described by the award. Be sure that your nominee meets the criteria of the award.

Member of the Year Sponsored by: Loucky Hagens-Grossman

An award granted to a KWPN-NA member to recognize the member that has contributed most significantly to the organization. This award can be given to any KWPN-NA member, (except KWPN-NA Board of Directors or Member's Committee), that has significantly contributed to the KWPN-NA through their gift of time and effort. This member does not have to be an active breeder, owner, or rider. Volunteerism and cumulative contributions of time to a committee, to the keuring process, to the newsletter, the annual meeting and/or website and promotion of the KWPN-NA in the greater horse community should be considered.

Breeder of the Year Sponsored by: Shooting Star Farm, Scot and Carol Tolman

An award granted to a KWPN-NA member to recognize the member's outstanding achievement in meeting the breeding goals of the KWPN-NA, either through horses participating in the KWPN-NA annual keuring process or through sport – with exceptional success. The member and breeder should be recognized for their significant contributions over the years or the breeder can be recognized because they bred an outstanding individual horse that has achieved noteworthy results. Special consideration should be given to this member/breeder whose successful off-spring is the result of multiple generations bred by the member.

FEI Horse of the Year Sponsored by: Iron Spring Farm

An award granted to recognize the best KWPN horse performing at the FEI level. The recipient KWPN horse must have a confirmed record of success at the FEI level of sport, exhibiting the breeding goals of the KWPNNA in terms of temperament, movement and/or jumping ability, conformation and type. The recipient KWPN horse is recognized as being a top horse internationally within their discipline.

To nominate a KWPN-NA member or horse, please go to the 'on line' nominations, or send an e-mail to (mc@kwpn-na.org), letter or fax (541-459-2967). Please include the reasons "why" your candidate should receive the award. Include as much detail as possible. Nominations will be accepted through Friday, February 6th, 2009. Three names in each category will then be put up to a vote. Awards will be given out at the 2009 KWPN-NA annual meeting in San Diego.

Thank you for participating!

Your nominations and opinions are important to the KWPN-NA!
