Others* = stallions and mares with unknown pedigrees or those registered with non KWPN Erkend studbooks

- Stb = Studbook
 1) Contact the KWPN-NA office prior to breeding to make sure of registration possibilities when using any outside stallion.
- Vb = Foalbook
 2) KWPN-NA mares are equal to KWPN mares. KWPN-NA Licensed and Aangewezen stallions are equal to non-approved (Foalbook) KWPN stallions for registration purposes in Holland.
- Reg A= Register A
 3) Dam's sire must be approved by the KWPN or an Erkend Studbook for offspring to qualify for Foalbook or Register A.
- Reg B= Register B
- A = Register A
 4) The sire of a Register B or Certificate of Pedigree mare must be KWPN Approved, Erkend or registered in the KWPN Foalbook in order for that mare's offspring to qualify for Foalbook. Otherwise the foal will qualify for Register B only.
- B = Register B
- Hvb = Auxiliary Foalbook
 5) Foals with one Hunter parent will be registered as a Hunter type. Horses may be accepted into Dressage or Jumper by decision of the jury upon successful studbook inspection.
- Hbs = Auxiliary Studbook
- Cp = Certificate of Pedigree
- Rp = Riding horse
Harness:
- Tp = Harness horse
 To be eligible for Harness Foalbook or Register A the pedigree of the foal cannot contain more than 75% Hackney or American Saddlebred blood.
- Gp = Gelders horse
 A Harness horse crossed with a Riding horse will result in a Riding Horse.
- Erk St= Erkend studbook
 A horse with Harness type papers can only be inspected as a Harness horse at a keuring.
- Rp = Riding
 The American Saddlebred is **NOT** a KWPN erkend registry. Foals resulting from crosses with Saddlebreds will receive Register B papers.
- Tp = Harness
- Gp = Gelders
Gelders:
- NR = Not registerable
 For registration in the Foalbook or Register A of the Gelders type, at least one of the parents must be Gelders.
- Wb = Warmblood
 In order to be eligible for registration as a Gelders type: the pedigree of the horse to be registered cannot exceed more than 12.5% improvement blood, of which a maximum of 6.25% may be American Saddlebred or Hackney.
- If the percentage of improvement blood is higher than 12.5% but less than 25%, registration will be in Register A of the Gelders book. The horse may be accepted into the Gelders Studbook by decision of the jury.
