Horses with multiple owners:

If ownership of a horse is listed on the registration paper as 'person one' *and* 'person two' (married or not), all listed owners will have to sign the bill of sale or the transfer of ownership form. If ownership is listed as 'person one' *and/or* 'person two', any of the persons can sign off on the horse.

Horses sold through third parties:

Agents – If a horse is sold through an agent we still need the signature of the owner of record. We need to either have a signed agreement on file giving an agent permission to sell horse(s) for a particular owner or we need a bill of sale signed by the owner of record.

Horses sold through an auction – If a horse is sold through an auction we still need the signature of the owner of record. We need either a signed agreement on file between the auction and the owner of record, or we need a bill of sale signed by the owner of record.

Registration papers are mailed back by first class mail and owner is responsible for any potential loss. Special shipping is available: Postal Service – \$5.00 for Certified mail within U.S., \$15 for registered mail to Canada; Courier Service – \$25 within U.S., \$30 to Canada (or send account info).
