

These remarks are for a snapshot in the lifetime of these horses. We encourage owners and breeders to attend keurings whenever possible for further evaluation of their horses, their breeding goals and breeding directions.

2014 KEURING REPORTS

Blalock Lakes – Newnan, GA

September 19, 2014

Host: Jos & Laura Sevriens

Jury: Bart Henstra from the Netherlands; Lana Sneddon from Indiana.

At the beautiful and peaceful stables of Blalock Lakes the keuring of the KWPN-NA had an enthusiastic Dutch atmosphere today. Like last year a large group of eager students from the Auburn University Animal Science department attended the keuring.

The keur eligible mare **Eclipse SCF** (Balou du Rouet x Consul), owned by Amanda Lorinc and bred by Dr. Carlos & Karin Jimenez of Sporting Chance Farm, impressed us with her attitude, consistent jumps and good overview. Her dam Nova Keur is a full sister to the famous stallion Judgement. As the jumps raised Eclipse SCF improved in her technique and she showed athletic scope. The total result of 79.5 in her Ibop, combined with her PROK, promoted her to an elite mare.

Genevieve HF (Winningmood x Oscar), owned & bred by Julie Ballard Haralson of Haralson Farm, already got her PROK, but also received her keur eligible predicate today. Lined up Genevieve HF is well muscled with a vertical neck, but could have more expression. In movement she improves and shows an athletic, powerful and supple trot with good reach in front. A special quality of her is that she is able to trot in several unique and adjustable ways. Her canter is powerful and carrying.

Top foal in his class was the well-developed **Jameson HF** (Ampere x Jazz), owned & bred by Julie Ballard Haralson of Haralson Farm. He has a good top line and correct legs. In movement Jameson has an expressive use of his neck and good articulation in his joints. His trot is uphill and carrying, the canter is powerful. Second in this class was the long legged UB40 son **Justice**, owned & bred by Terry Long of Oakdancer Farm.
