## 2014 KEURING REPORTS

### DG Bar Ranch – Hanford, CA

September 16/17, 2014

Host: Tony & Betty De Groot

Jury: Bart Henstra from the Netherlands; Lana Sneddon from Indiana;

Dr. Deborah Harrison, DVM from California.

The second day commenced with the two stallions, who did their linear scoring, hard surface, and free movement. The Ravel son **Gaspard DeLa Nuit**, owned & bred by DG Bar Breeders Inc. & Akiko Yamazaki, got his ster and already had his prok certificate (x-rays). He will become licensed, upon completing all the other veterinary requirements. The five yr. old stallion **Empire**, owned by Melissa Ragers & Robin Hardiman and bred by W.M.M. Van Erp, who is was already selected for the performance test in Holland (Aangewezen) should have been more convincing in his riding test to become licensed today.

The long lined **Famebria DG** (Idocus x Krack C), owned by Natalie Bryant & DG Bar Breeders Inc. & bred by DG Bar Breeders Inc. received her ster predicate, based on her convincing lbop on day 1 at the DG Bar Keuring, with 9's for trot and rideability.

The big dressage foal class had a number of good movers and 3 foals entered the top 5. The new national leader is **Jamebria DG** (Charmeur x Krack C), owned and bred by DG Bar Breeders Inc. She is well proportioned and well-muscled. Her gaits are uphill, very powerful and show really good leg technique and rhythm. Second in the class and third in the nation is an elegant daughter of Bordeaux. **Jobria DG**, owned and bred by DG Bar Breeders Inc., has a very modern dressage type with a light footed trot. The walk and the powerful canter showed good length of stride. Third today and currently fifth in the nation is the expressive Bretton Woods son **Joe Bretton MVS**, owned and bred by Jackie Ahl-Eckhaus of Mountain View Sporthorses. He has good length in his body, is long legged and shows good reach in the front leg. The canter is balanced with a ground covering stride. In the fourth place was **Jor-El DG** (Charmeur x Sir Donnerhall), owned by Sandra Harper & DG Bar Breeders Inc. and bred by Sandra Harper of Airpegasus Sport Horses. He is well developed and has a vertical neck with a long, sloping shoulder. He is powerful in trot and canter, with good leg technique.
