## 2014 KEURING REPORTS

### Finishing Touches Farm – Genoa City, WI

September 6, 2014

Host: Cheryl Quick

Jury: Arie Hamoen from the Netherlands; Lana Sneddon from Indiana.

We started the 2014 keuring tour at the well-equipped Finishing Touches Farm. Our host Cheryl Quick and organizer Tracy Geller did a fantastic job. A nice crowd gathered to learn from KWPN NA educator Faith Fessenden.

One of the best classes of the day was the Jumper foal class. The top 3 foals were from the same breeder, Tracy Geller of Six Pound Farm. Leading the class was the Quinar son *Jurassic SPF*. A well-developed expressive, long lined colt. His highlight was his well-constructed croup and correct foundation. In second place was *Jubilottie SPF* a daughter of Zavall VDL, impressed us with her expressive type and powerful canter. The youngest foal in the class *Joleigh SPF*, should be more developed but has a light footed easy canter with a lot of suppleness.

In the dressage foal class the top foal went to *Jameson*, a UB40 son, owner/breeder Deanna Greulich. This well-developed colt has a modern dressage type with an uphill trot which earned him the top young dressage horse ribbon of the day. Next in the class, was the flashy filly, *Jamerra Lusa* (Negro X Faible by Fidermark) owned & bred by Jennifer Moskal, showing sufficient and functional movement to earn her a first premium.

We only had one horse in the 2 year old Dressage class. A mare by Sir Sinclair, owned & bred by Deanna Greulich, *Hillara* is an elegant light footed modern dressage type. In movement she was light footed but could show more uphill tendency.

In the 8 year old and older dressage mare class was the Sport predicate mare *Obekka* owned by Margo Berry. A daughter of Silvio II showed enough quality combined with her sport predicate to earn her star predicate today.

*Finishing Touches Farm*

*Spectating*

*Reports from the Road generally feature first premium or 'stand-out' horses.*

### **Ster Mare**

Obekka Sprt/D (Silvio II X Wagenaar)

### **First Premiums**
