

These remarks are for a snapshot in the lifetime of these horses. We encourage owners and breeders to attend keurings whenever possible for further evaluation of their horses, their breeding goals and breeding directions.

2014 KEURING REPORTS

Imajica – Williston, VT

September 9, 2014

Host: Madeleine Austin

Jury: Arie Hamoen from the Netherlands; Lana Sneddon from Indiana.

Today we are welcomed by our enthusiastic host Madeleine Austin a KWPN breeder of over 30 years! The weather was perfect in the picturesque Vermont setting.

The first horse to pass the IBOP today was a UB40 daughter, **Giada**, owned by Melissa Hardy & bred by Carroll & Carol Tolman of Shooting Star Farm. She showed tremendous rideability and suppleness to finish the test with a 75.5. Later in the day she became star. The keur eligible mare **Fairlinda**, owned by Marie Josee Proulx & bred by De Radstake B.V., showed a sufficient riding test which earned 75 points. She has the PROK certificate and that means she is now an ELITE mare.

In the 3 to 7 year old dressage mares the modern **Flirtieni**, owned & bred by Madeleine Dammers Austin of Imajica, showed a high quality trot and a functional canter and walk. This expressive mare earned her star predicate, became keur eligible and was awarded the high scoring horse of the keuring.

In the STB grading for older dressage mare. The 13 year old **Ursula**, owned by Madeleine Dammers Austin of Imajica & bred by Mary McLeod, showed a lot of quality and became ster. Ursula was also the dam of the first premium foal; **Jupiter**, owned & bred by Madeleine Dammers Austin of Imajica, an expressive son of Olivier.

Bloomington Farm brought two nice jumping foals to the keuring, **Jefferson Bloom** & **Jordiada Bloom**. Both foals were well developed, long lined, balanced and easily earned their first premium.

Two Imajica working students made KWPN cupcakes (see photo) for the keuring. Thank you girls, love the enthusiasm!
