## 2014 KEURING REPORTS

### Pennock Point Sport Horses – Reddick, FL

September 20, 2014

Host: Sandi Lieb

Jury: Bart Henstra from the Netherlands; Lana Sneddon from Indiana.

For the first time in many years Florida had moderate temperature at the keuring. With a chance of rain the covered arena worked out well for the keuring classes.

The dressage foal class had quality in the top and the winner of the class made it to the 3rd place in the national top. The filly **Javali** (Ferdeaux x Santano), owned & bred by Miller Stables, LLC, has a modern uphill build conformation and is long legged. Her long vertical neck is well muscled. Javali trots with good technique and uphill tendency. She shows expressive use of her front leg. The canter is balanced and light-footed. Second in this class was the well-developed colt **Justifiable P** (Everdale x Wolkentanz), owned & bred by Andrea Hayden of Prosperity Farms. He has a long withers and a vertically placed neck. In movement he shows good posture with expressive leg technique and sufficient reach.

Best jumper or hunter of this keuring was the hunter colt **Jucet My Style S** (Ahorn x Alla Czar), owned & bred by Sakura Hill Farm, LLC. This well-proportioned foal has a long sloping shoulder, a good top line and correct legs. His trot is supple with good reach, the canter is light footed, supple with sufficient reach. Jucet my Style S made it to the top hunter foal of the nation.

The winner of the class jumper foals was the refined and elegant **Javaroos S** (Carera x Heartbreaker), owned by Samantha Kidd of Arion Sporthorses, LLC & bred by Sakura Hill Farm, LLC. This young filly has length in her body and a good top line. She is refined in her legs. Her canter is carrying, with good length of stride and she has a supple trot.

**Guenevere** (Zapatero x Ginsberg), owned & bred by Lauren Schwappe of Meadowood Farm LLC. is a well-proportioned mare and has an athletic body. Her canter is active and balanced. She shows quick reflexes, has an upward take off, but was almost too eager to jump today. Therefore her technique could be more consistent, but she showed her jumping potential today and got awarded with the predicate keur eligible.

The highest score of the Claybrook Farm Cup was scored by the 2 year old **Hatari** (Consul x Ferro), owned & bred by Sandi Lieb. Hatari has a quick and powerful takeoff and she has a bending front leg over the jump. She shows sufficient bascule and good opening of her haunches.

*Reports from the Road generally feature first premium or 'stand-out' horses.*
