2014 KEURING REPORTS

Prima Equestrian – Mount Albert, ON

September 8, 2014

Host: Michelle Bartlett & Roy Maher

Jury: Arie Hamoen from the Netherlands; Lana Sneddon from Indiana.

The Prima facility was immaculately prepared in spite of the storm that took out the power the day before. The crew worked late into the night to finish the setup. Well done Prima crew! Our KWPN NA educator and studbook historian, Faith Fessenden was on hand to provide commentary and education.

First up, the playful Emilion son **Glenfiddich**, owned & bred by Bob & Pia Thomas of Linsell Farm, Inc., started the day off right by passing his jumping IBOP. His willing attitude and correct way of jumping earned him enough points to pass the IBOP. Later in the day he was awarded the star predicate for his correct structure.

The 4 year old **Finnan** by Wittinger, owned & bred by Alison Moore of Mikali Farm, was a horse to see. He captured your eye with his modern expressive type which scored an 85! When he jumped he gave you chills. Scoring 3 times a 9 (canter, reflexes and scope) for a total jumping score of 90 and of course earning his star predicate.

Goddess P, owned by Vincent Siciliano & bred by Prima Equestrian, earned her star predicate today. This Voltaire daughter was a very modern type with long lines.

In the Gelders class **Ginseng MSH**, owned & bred by Stephanie Sitzberger of Mountain Sport Horses, showed a sufficient canter and a powerful rhythmic trot which scored an 8 and a star predicate today.

The 2 year old **High Society**, owned & bred by Bob & Pia Thomas of Linsell Farm Inc., earned a first premium today for his harmonious modern type.

In the Dressage STB/Star mare class **Godiva P**, owned & bred by Prima Equestrian, showed a ground covering walk and a balanced supple trot with good leg technique to earn her 2 times an 8 and her star predicate.

In the dressage foal class the well developed, expressive Charmeur son **J'Armour**, owned & bred by Michael & Pauline Fiddick, showed really good use of his neck and front legs to earn a first premium

In the jumping foal class we had a clear winner. **Jolene Blue**, owned & bred by Sarah Bellamy of SJB Sporthorses, a daughter of Zirocco Blue was a true jumper type. Her muscle

Reports from the Road generally feature first premium or 'stand-out' horses.

development, ideally placed on her correct frame, made her real eye candy. In the trot she was powerful and supple but when she cantered she blew your socks off! A clear powerful canter that stayed in balance and rhythm with electricity that reached to her front legs earned her an 82 for movement, champion young jumper and #1 jumper foal on the tour so far.

In the Gelders foal class we saw the beautiful mare Adessa showing off her filly, by Special D, Jaya-Dessa. **Jaya-Dessa**, owned & bred by Beverly Hilton of Hilton Hall Sporthorses, was a good Gelders type with a strong frame, good expression and a correct foundation which earned her an 80 for type. When she moved she showed good leg technique and received a first premium.

Off to Vermont, the fourth location of the tour!
