## General Requirements for Year-End Breed Awards

### In order to be eligible for awards:

Horses must be KWPN registered and have papers on file at the KWPN-NA office.

The owner of the horse must be the 'owner of record' and be listed as such on the registration papers, or be verified as 'transfer in progress,' or have a current lease agreement on file with the KWPN-NA office.

The owner or lessee of horse must be a current KWPN-NA member. Membership must be paid prior to October 1 of the competition year in order to qualify for awards.

To qualify for the USDF All Breeds awards, the horse must be declared as 'Dutch' or KWPN with USDF. USDF must have a copy of the horse's registration papers on file. If signed up with USEF, USEA or any other sport organization, these organizations should also have a copy of the horse's registration paper.

Please give the Show Name and Registered Name to the sport organizations and to the KWPN-NA.

When possible refer to horse by registered name when corresponding with the KWPN-NA. Include show name in parenthesis.

Whereas the KWPN-NA office will make every attempt to make sure horses are awarded for their performance, it is up to the owner/lessee to make sure points and eligibility are correct.

If you have questions concerning eligibility, please don't take a chance—call the KWPN-NA office at 541-459-3232.
