BLALOCK LAKES - NEWNAN, GEORGIA

The 2015 Keuring tour started off at the beautiful Blalock Lakes. This year's keurings was small but had good spectator attendance as always. The entries might have been low but the quality got the tour off to an exciting start. The expressive **Keepsake HF** (Rousseau x Tola keur by Flemmingh pref; owner/breeder Julie Ballard Haralson of Haralson Farm) impressed the judges with his well-proportioned body. In movement this colt was uphill, powerful and carrying in his movement. His leg technique and body use in all three gates were outstanding.

Keepsake HF

Karlton HF

Karlton HF (Bordeaux x Genevieve HF ster PROK by Winningmood; o/b Haralson Farm) ranked second. He had a long vertical neck and showed a lot of expression. The supple and light-footed Karlton was not as consistent as Keepsake, but had very uphill movement with expressive and unique use of his front leg in trot. Both colts are very promising future dressage horses. Third place went to the long lined **Kylee MM** (Fiderbach x Virona ster by Ferro pref, o/b Haralson Farm) who showed a correct foundation. In movement the filly was supple and had good balance. In fourth place was **Kilowatt**, (Ampère x Savanna S by Silvio I; o/b Lisa Harders), a well-muscled powerful filly with good technique and suspension.

Kabienna Munny (Quite Easy 958 x Zalesgirl keur by Indoctro pref; o/b Munny Sunk Stables) as the first place jumper foal. This filly could be longer lined but showed a balance canter with good power.

The three-year-old PROK certified mare **Harriet HF** is an expressive dressage type. She showed good technique and was powerful in the trot. In the canter it was easy for her to make changes. Today she earned her ster predicate.

These remarks are for a snapshot in the lifetime of a horse.

Not all first premium or ster horses are mentioned in "The Reports from the Road"; only those horses that really stand out to the jury.
