Taramor and Shooting Star Farms - KEENE, NEW HAMPSHIRE

The well-prepared keuring started with the riding classes at Taramor Farm, later we moved to Shooting Star Farm for the foal class.

The best adult dressage horse of the keuring was the very talented **Galearites SSF** (dam Orchis keur pref by Jazz pref; owner/breeder Scot and Carol Tolman of Shooting Star Farm). This keur eligible mare showed an amazing uphill and carrying canter in her IBOP, displaying extravagant use of her front leg, which resembles that of her sire Totilas. The hind leg is carrying and shows a lot of ability for collection. She can trot in many different ways. It is very easy for her to collect and lengthen her stride, maintaining her uphill tendency and balance. A total score of 85.5 in the IBOP earned her the leading score in the nation so far. Galearites SSF scored a high total of 85 in the DG Bar Cup.

Galearites SSF

A full sibling to Galearites SSF, **Honorites SSF** (Totilas x Orchis keur pref by Jazz pref; o/b Shooting Star Farm) received her ster predicate and passed her IBOP with 75 points. This functional mare could be longer lined, but was very consistent in her performance. All her gaits show good technique with sufficient length of stride. Honorites SSF is easy to ride and focused on her rider.

Keno SSF

The attractive and well-balanced **Felicites SSF** (Rousseau x Orchis keur pref by Jazz pref; o/b Shooting Star Farm) is a very good dressage type. She earned her ster predicate with her good leg technique in her walk and trot.

The Governor son **Keno SSF** (d. Za Vita SSF ster; o/b Shooting Star Farm) is an expressive colt with a long-lined and athletic body. His powerful movement has very good suspension and articulation. He shows a consistent uphill tendency, with good posture and balance. This handsome colt with special movement is currently leading the dressage foal class. Second place today went to the young and correctly built **Kublai Khan SSF** (UB 40 x Mistral ster by Vincent; o/b Shooting Star Farm). He showed a very supple trot that is light footed with suspension and rhythm. Third place today went to the **Kanadian SSF** (UB 40 x Bowendy vb by Sir Sinclair keur; o/b Shooting Star Farm). A long-legged colt with a sloping shoulder and who showed good posture in movement.

These remarks are for a snapshot in the lifetime of a horse.

Not all first premium or ster horses are mentioned in "The Reports from the Road"; only those horses that really stand out to the jury.
