## SUNFLOWER FARMS - BRISTOL, WISCONSIN

The keuring at the very large Sunflower Farms was well equipped and organized. The weather was also ideal for the horses.

The dressage foal class was led by two foals that were sired by Ampère and were both owned and bred by Eowyn Brewer. First place went to the young **Kilowatt** (d. Savanna keur by Welt Hit II keur), who was also awarded the high score ribbon for today's keuring. This well-proportioned colt was well-muscled and had a long sloping shoulder and a good top-line. The trot and canter showed good leg technique and were powerful and uphill. In second place was the filly **Kinetic Energy** (d. Ulette de Malouin ster by Métall) who also showed a powerful trot and canter, but could be more light-footed in her movement. This well-muscled filly had a vertical long neck. She was somewhat straight in the stance of her hind leg.

### Kilowatt

The well-developed yearling colt **Jedidiah** (Negro pref x Arabella K by Flemmingh pref; o/b Yvonne Sue Carr) was a correct dressage type and had a strong top line and a good loin connection. He showed an active walk with a powerful, carrying trot. It was easy for Jedidiah to lengthen and shorten his stride. He seemed to be able to take weight on his hindleg.

### Kanndid SPF

The champion of the jumper foal class was **Kanndid SPF** (Banderas x Quartz F.M. ster by Kannan; owner Deborah Day, breeder Tracy Geller), a good jumper type with a long neck. His shoulder was long and sloping. His croup was also long and was well shaped. His trot was expressive and showed good length of stride. The canter was balanced with sufficient length of stride. In second place was the expressive **Kattniss SPF** (Van Gogh x Ushina ster by Orame; o/b Tracy Geller). She could be longer lined but she is powerful and well muscled. Her canter is very balanced, light-footed, and powerful and has good rhythm.

*These remarks are for a snapshot in the lifetime of a horse.*

*Not all first premium or ster horses are mentioned in "The Reports from the Road"; only those horses that really stand out to the jury.*
