The KWPN-NA

For over forty years, the KWPN-NA has brought the passion and focus of the Dutch breeder home to North America.

The KWPN (Studbook of the Royal Dutch Sport Horse) is a Netherlands-based organization specializing in the breeding of jumper, dressage, hunter, harness and Gelders horses. Performance, durability, and attractive conformation are the most important factors on which the international success of the KWPN horse is based.

In 1983, the Dutch Warmblood Studbook in North America was established as the North American Department of the Royal Warmblood Studbook of the Netherlands (KWPN) in order to promote breeding and enjoyment of the KWPN horse in North America. As of January 1, 2006, the organization became known as the KWPN of North America, Inc.

Role of the KWPN-NA

For over thirty years, the non-profit KWPN NA association has brought the passion and focus of the Dutch breeder home to North America, where breeders are now producing top international horses competing around the world in a variety of disciplines. With more than 1,300 members and an average of more than 500 registered foals annually over the last five years, the KWPN-NA has grown to become one of North America's largest Warmblood organizations.

Through a multitude of programs, the KWPN-NA staff and all-volunteer board work tirelessly to encourage the participation of registered KWPN horses in equestrian sport, and structure appropriate awards programs that will acknowledge and promote excellence on the part of KWPN horses, breeders, owners, riders and trainers in North America. The KWPN-NA also maintains an extensive database that records detailed breed registration information, inspection and performance results, ownership transfers and sales for all registered KWPN horses in North America; disseminates educational and informational data to breeders, owners and other interested individuals pertaining to the breeding, raising and approval of KWPN horses; schedules and

conducts inspections of stallions, foals, mares and geldings throughout North America; and promotes public awareness of the Royal Dutch Sport Horse.

KWPN-NA

Mission Statement

To establish, maintain and operate a nonprofit association of breeders, owners and other interested individuals for the promotion and preservation of the registered (KWPN) Dutch Warmblood horse in North America.

To encourage the participation of registered KWPN horses in the various equestrian disciplines and structure appropriate awards programs that will acknowledge and promote excellence on the part of KWPN horses, breeders, owners, riders and trainers.

To maintain a database that records: detailed breed registration information, inspection and performance results, including ownership transfers and sales for all registered KWPN horses in North America.

To disseminate educational and informational data to breeders, owners and other interested individuals pertaining to the breeding, raising and approval of KWPN horses, including scheduling and conducting various inspections throughout North America of stallions, foals, mares and geldings.

To promote the public awareness of the KWPN horse through targeted advertising.

To cooperate with other associations, breed registries and/or government agencies on matters and issues pertaining to the horse industry in North America, including health and safety standards and other guidelines and regulations that may impact the activities of breeders, owners, riders and trainers of horses.

New for 2025

A letter from our Chair, Wim Cazemier

Dear KWPN-NA Members,

2024 proved to be another successful year for our breeders and competitors. The year started with a wonderful Annual Meeting in Ocala, FL in conjunction with Live Oak International. It was a remarkable meeting with the first ever KWPN-NA Fine Harness Cup with a special class of our top Harness Horses in the Nation and celebrity riders, including Chester Weber. We were able to continue with 3 separate sets of judges covering 18 riding horse sites and 2 Harness Horse sites, one of which was able to include Gelders and Dressage young horses, thanks to Wim Versteeg's addition to the Harness judging team. The judges were pleased with the quality and had very encouraging words for us and our breeding programs. Our social media channels continue to grow steadily, and we have a vast collection of educational videos on our YouTube channel as well. Thank you for another successful year of breeding, showing and promoting the Dutch Warmblood in North America.

We look forward to another prosperous year and hope we can continue to encourage North America to Go Dutch!

Wim Cazemier

Chairman of the Board, KWPN-NA

General Requirements for Year-End Breed Awards

In order to be eligible for awards:

Horses must be KWPN registered and have papers on file at the KWPN-NA office.

The owner of the horse must be the 'owner of record' and be listed as such on the registration papers, or be verified as 'transfer in progress,' or have a current lease agreement on file with the KWPN-NA office.

The owner or lessee must be a current KWPN-NA member. Membership must be paid prior to October 1 of the competition year in order to qualify for awards.

To qualify for USDF All-Breeds awards, the horse must be declared as 'Dutch' or KWPN with USDF. USDF must have a copy of the horse's registration papers on file. If signed up with USEF, USEA or any other sport organization, these organizations should also have a copy of the horse's registration paper.

Please give the Show Name and Registered Name to the sport organizations and to the KWPN-NA.

When possible refer to horse by registered name when corresponding with the KWPN-NA. Include show name in parenthesis.

Whereas the KWPN-NA office will make every attempt to make sure horses are awarded for their performance, it is up to the owner/lessee to make sure points and eligibility are correct.

If you have questions concerning eligibility, please don't take a chance— call the KWPN-NA office at 859-225-5331.

2023 Special Awards

TONY DE GROOT MEMBER OF THE YEAR SPONSORED BY FRIENDS OF THE KWPN-NA

Anna Beal

KWPN-NA activities: *Member since 1997. She has attended most Annual Meetings and keurings since 1997.*

Anna has served on the MC for eight years and has been its Chairman. She coordinates the Silent Auction at the Annual Meetings and is the Chairman of the Stallion Committee. She also helps with our e-News. She promotes the KWPN-NA horse through her own success in the show ring and by sponsoring awards.

Background: As a rider, Anna has a very diverse background, including hunters, jumpers, eventers, racehorses and dressage (USDF Bronze and Silver medalist). She has received the 2010 Region 7 Gifted Foundation Scholarship. A small breeder, her Capote received the 2008 USDF Reserve Championship for Colts/Geldings for the West Coast Series, and her Willa was the 2009 Southern California Adult Amateur at First Level Champion. Capote was the 2011 KWPN-NA North American Reserve Champion Dressage Gelding

This is a special achievement award to recognize any KWPN-NA member that has made a significant contribution to the organization based on the criteria below. Member does not have to be a breeder, owner or rider.

- Keuring process;
- Newsletter and/or website;
- Annual Meeting;
- Promotion of the KWPN horse in sport and breeding;
- Promotion of the KWPN-NA horse in the horse community.

DRESSAGE BREEDER OF THE YEAR

Jackie Ahl-Eckhaus

Mountain View Sporthorses

Jackie Eckhaus of Mountain View Sporthorses in California has been breeding and riding Dutch Warmbloods for more than 20 years. She has had many successes both as a breeder and a dressage rider. She has bred 4 ster horses, a keur mare and 3 who have passed their IBOPs, and also bred horses in the Netherlands. Jackie won the 8th place in the 2023 USDF Dressage Breeder of the Year ranking. Jackie was the USDF Vintage Cup Professional Reserve Champion for Intermediate II 2023 aboard her homebred Jett MVS. Jett MVS ster IBOP (dr) is by Bretton Woods out of Lumara keur pref prest sport (dr) by Flemmingh pref. Jackie is competing him at Intermediate II. Jackie won the 3rd place in the USDF Vintage Cup Professional at Second Level 2023 aboard home bred News Man MVS. News Man MVS ster IBOP (dr) is by Desperado x Indy Obertje by Apache pref. He came in 8th place for KWPN-NA keuring tour dressage stallions and geldings, 7th place KWPN-NA keuring tour dressage IBOP, and 9th place KWPN-NA keuring tour 5-6 year old DG Bar Cup in 2023. News Man MVS was also 8th place nationally for USDF Second Level Horse of the Year 2023.

JUMPER BREEDER OF THE YEAR

Tracy Geller

Six Pound Farm

Six Pound Farm is a boutique sporthorse breeding program, located in South Eastern Virginia, run by Tracy and her husband Grant Stearns. Six Pound Farm specializes in producing KWPN-NA Horses with jumper pedigrees. It is a small, quality driven breeding operation, that over the years, has produced several very good inspection, IBOP, Global Equine Sires Cup and sport horses. Some highlighted horses from Tracy's program include Limelight SPF elite IBOP (sp) D-OC (Arezzo VDL keur x Ushina ster), Nonpareil SPF elite IBOP (sp) D-OC (I'm Special de Muze x Acrobat), Reveille SPF (Tangelo vd Zuuthoeve x Ulottie), Smolder SPF (Light My Fire x Ulottie) and Swagger SPF (Con Capilot x Vatricia keur sport (sp). Besides being a breeder, Tracy is also a high valued and dedicated member of the KWPN-NA. After serving in the member committee for many years, she is now part of the board of directors. She always puts in a lot of her free time as a volunteer for our Stallion Service Auctions and the Online silent auction.

HUNTER BREEDER OF THE YEAR

Shelley Campbell

Shelley has been an established KWPN-NA breeder for many years, producing high quality Hunters and Jumpers. Last year at the Keuring tour, two horses from Shelley's program became Champion Jumper mare and Champion Hunter gelding. Shelley's passion and commitment to excellence in breeding is not only documented over the last few decades through the quality of horses she has produced and her participation in the keuring process, but also through her ambassadorship of the breed to future generations of horse people.

GELDERS BREEDER OF THE YEAR

Kanoe Godby

Godby Farms

Kanoe Godby of Godby Farms in Sisters, Oregon, has been very dedicated to breeding with Gelders bloodlines for a long time. In 2022, her mare Freedom (Zion-JC out of Brillante by Flemmingh), became KWPN-NA National Champion Gelders mare. Last year, Kanoe hosted a keuring at her own property and presented several Gelders bred foals. She also owns the licensed KWPN-NA stallion Holland by Colonist x Larix together with Gelders breeder Megan Owen.

HARNESS BREEDER OF THE YEAR

Wim Cazemier

Raised in the northern province of Groningen, Holland, Wim Cazemier was brought up on a dairy farm and was introduced to the Dutch Harness Horse early in life. "The horse bug" got Wim at a young age and by 16 years old, he was working on a local breeding farm. After finishing school, Wim worked on a few dairy farms in Canada and upon his return to Holland, he started prepping horses for keurings and IBOPs. In 1994, Wim moved to Gelderland and spent a year as the breeding manager on the Lingenhoeve. With that experience, Wim was able to start his own training and stallion station in 1995 standing famous stallions such as Heineke, Kalusha, Farrington, Patijn, No Limit and Hamlet.

Wim's training products achieved many accolades, including producing the 2001 overall stallion keuring champion, Rainbow, along with many top mares at the National Mare Keurings. By then, there was a rising interest in the Dutch Harness Horse in North America and Wim started to make trips to Kentucky to help clients with the budding KWPN-NA Dutch Harness Horse keurings and shows. On one of these trips, Wim met an Amish family from Indiana and that eventually turned into a business partnership in North America.

Since starting his breeding program 15 years ago, Wim has produced four licensed or approved KWPN stallions in Colonist, Indiana, Jaleet and Intign and several national champion mares and stallions like Kentucky, Elonist, Cudrose and Lendoline. Wim says he is "always looking to improve his breeding program and update broodmare stock by training and showing" and was awarded KWPN Dutch Harness Horse breeder of the year in 2010, making him the youngest person ever to receive the award. He currently holds the highest score for the driving IBOP of 92.5 with Wieke.

Since moving to Northern Indiana in the fall of 2016, Wim has been heavily involved with the KWPN-NA and has been the co-host of the Dutch Harness Horse keuring in Goshen, IN for several years. Currently, Wim works out of his own training center, Wim Cazemier Equine and stands Dutch and Friesian stallions as well as running his training program.

Breeder of the Year Award is a special achievement award to recognize any KWPN-NA breeder member that has made a significant contribution to the organization. Criteria: Member

- Is an ambassador to the KWPN-NA to the greater horse community;
- Has attained success meeting the breeding goals of the KWPN through the keuring process and/or through sport;
- Keuring and sport results are cumulative rather than based on a single year.
- Member shall have bred the horses, but some consideration will be given to horses imported by a member.

PERFORMANCE HORSE OF THE YEAR

SPONSORED BY IRON SPRING FARM

Diadora sport (sp) sport (hun) (Vingino x Ralina by Caretino)

Photo: Shawn McMillen

Diadora (Vingino x Caretino)

Diadora (Vingino x Caretino) was bred in The Netherlands by the Ebbing Family. She competed at 1.45m before being imported to the USA by her current owner Barbara LeStage. Diadora first successfully competed at Junior Hunters classes for a while with Barbara's granddaughter. Then Kristen Bumpus took over the reigns and they immediately won many classes. In 2019 they won the \$25,000 USHA High Point Hunter Championship, and many more wins since then.

This award recognizes the best KWPN horses performing at FEI levels, in nationally recognized Young Horse Programs or in a Hunter division as follows:

1. Performing at the FEI level or Young Horse Program (includes all disciplines: Dressage, Jumper, Eventing, and Driving). Criteria include:

- Owner must be a KWPN-NA member;
- Owner must be owner of record with the KWPN-NA office;
- Horse must have a confirmed record of success in sport;
- Horse exhibits the breeding goals of movement and/or jumping ability, conformation and type.

2. Performing in the Hunter Division and is recognized as a High Point Hunter. Criteria include:

- Owner must be a KWPN-NA member;
- Owner must be the owner of record with the KWPN-NA office;
- Horse must have a confirmed record of success in the hunter division based on points earned;
- Horse exhibits the breeding goals of movement and jumping ability, conformation and type.

Special consideration is given to horses bred in North America.

Breeder Achievement Awards

How It Works

Only the breeder of record of a horse presented can earn points for that horse. In the Young Horse category, a horse may show at a keuring as a foal, yearling and/or two-year-old, but will earn points only one time within this category.

The breeder of the horse will receive points for each accomplishment that their horse has achieved. For example:

- If a horse receives a first premium status as a young horse, the breeder will earn one (1) point. If it is the Top Fives, It will earn one (1) additional point. Maximum number of possible points as a young horse is two (2).
- Three years later, that same horse—now a mature horse— receives its “Ster” predicate, and thereby earns two (2) more points for its breeder.
- If the horse successfully passes the IBOP (riding performance test) horse, it will receive two (2) more points.
- If the horse is a mare and was also keur eligible at its studbook inspection, she would now earn the Keur predicate and yet an additional two (2) points for the breeder.

Therefore, this single horse has earned seven (7) points for its breeder if a mare and a five (5) points for its breeder if a gelding: 1 point for receiving a first premium as a foal, 2 points for the “Ster” designation, 2 points for a passing IBOP (and 2 more points for the “Keur” designation if a mare).

THE POINT SYSTEMPOINTS

Keeping Track of Points

Breeders must apply for the award status in this program. Once a breeder has reached the qualifying points for the first level (Silver), the breeder must send all applicable documentation to the KWPN-NA office. The office will then verify the documentation. When the breeder has earned enough points to upgrade to a higher level (Gold or Platinum), the breeder must again send the documentation to the KWPN-NA office. In other words, it is up to breeders to nominate themselves when they think they have earned enough points for the award or nominate themselves to a higher level of the award program. Breeders will receive their awards the following year (the year after they achieve the results).

An award to recognize member breeders who have accomplished significant results throughout the years with their breeding program. Breeders qualify for the award based on a point system.

There are three levels of achievement within the program:

Platinum: 100 Points | Gold: 60 Points
Silver: 30 Points | Bronze: 15 Points

Classification of Stallions

Stallion evaluations for licensing or approval in North America takes place under the guidance of, and is subject to, the directives of the KWPN Stallion Committees. The KWPN Stallion Committees may be assisted by advisors or delegate parts of the evaluation.

Approved/Licensed/Erkend

Approved Stallions

Approved stallions are designated as Stb.

- Have been successfully presented for approval.
- Have successfully completed all veterinary requirements (physical, endoscopy, semen and D-OC plus NS/DJD radiographs).
- Have successfully completed a KWPN Stallion Performance Test
- Have shown an offspring collection.
- Generally have Foalbook offspring.

Erkend Stallions

Individually Erkend stallions must

- Be listed in the WBFSH Sire Rankings and
- Have proven themselves in international sport either through their own performance, through that of offspring, or through a combination of the two.
- Have not necessarily completed the veterinary requirements.
- Generally have Foalbook offspring.

Licensed Stallions

Licensed stallions are still designated as VB.

- Have been successfully presented for approval at a KWPN-NA keuring.
- Have successfully completed all veterinary requirements (see above).
- Have not yet passed a 21-Day or 5-Day Performance Test.
- Have not yet shown a foal collection.
- Generally have Register A offspring.

Performance Test

Licensed stallions must successfully complete the KWPN 21-Day or 5-Day Performance Test to become approved. The KWPN does not accept results from any other performance test in North America. After approval, it is desirable but not required for a stallion to have a sport career at higher levels of sport.

The Character and Behavior evaluation of stallions is an important part of the performance test.

Harness Stallions

Licensed harness stallions are required to be shown in harness at a KWPN-NA keuring *the year after being licensed* in order to maintain their license. Stallions that have competed at the highest (honors) level of harness sport in Holland may be excused from this requirement.

Offspring Inspections

To maintain Approved status, a stallion's offspring must be inspected at various intervals. The stallion's influence will be evaluated relative to the influences of the mare based on the offspring presented at a keuring. As the offspring age they will be evaluated in sport to determine whether the stallion passes on sufficient athletic ability to his offspring.

Pharaoh DG PROK D-OC (Koning DG ster IBOP D-OC x Janda keur IBOP by Par-cival keur) and **Sonnenberg's Paris**; Photo: US Equestrian

If at any time a stallion's offspring are deemed insufficient the stallion may be placed on the Watch List until the next offspring evaluation. If at that time the offspring are sufficient the stallion's status will return to Approved; if not the stallion will lose his approval.

Offspring are inspected at the following intervals:

- A minimum of ten* offspring at the dam's side for foal inspection ***within two years after approval***. Foals may be presented at different locations during the inspection tour, although seeing see a larger group at a single keuring location is preferred.
- A minimum of ten* three-to-five year old offspring at studbook inspections ***by the time the oldest offspring are five years old***.
- Sport results of minimum ten* offspring aged five to eleven ***by the time the oldest offspring are eleven years old***.

If a stallion does not meet the above requirements, the owner can apply for a one-year extension. An extension will be granted only if the KWPN stallion committee sees potential in the stallion and the owner has an acceptable reason (e.g., veterinary) as to why the stallion did not meet his requirements.

After successfully completing all the previously stated requirements, a stallion will have met all the approval criteria and may be permanently approved.

****Due to the limited number of Harness Horse breedings in North America, the number of offspring from Harness stallions required for evaluation at the designated intervals is five rather than ten.***

Stallion Predicates

Keur

An approved stallion becomes eligible for keur after his first foal crop turns seven. The stallion must positively differentiate himself from other stallions based on the sport and conformation qualities of his offspring. Stallions should have a sport index that is higher than 140 with minimum 85% reliability and must pass on good conformation as evidenced from keuring results.

Preferent

Preferent is the highest honor bestowed on an approved stallion. The stallion must previously have been awarded the keur predicate. The stallion must positively differentiate himself from other stallions based sport and conformation qualities of his offspring that are a minimum of 11 years of age. The stallion must have a sport index higher than 140 with minimum reliability of 85% and must also pass on good conformation. For preferent it is also important that the stallion shows a positive influence on the male line. The predicate can also be awarded posthumously.

KWPN stallions standing in North America must be activated for the breeding year in order for their foals to be eligible for registration.

Foalbook/Watchlist

Foalbook Stallions

There may be times when a breeder wishes to breed to a Foalbook stallion because he is from a specific bloodline or because he is a great performance horse. A Foalbook stallion was:

- Never presented for Approval ***or***
- Presented for Approval but not accepted, ***or***
- Once Approved, Licensed or on the Watch List but reverted to Foalbook, likely because of sport or offspring. If he was once Approved, his status would still be Stb on registration papers.

Offspring Registration:

- Offspring from Foalbook stallions generally receive Register B papers.
- Offspring from Foalbook stallions approved with an Erkend studbook generally receive Register A papers.

Depending on the mare, offspring from Foalbook stallions may be retroactively upgraded to a higher book upon the stallion's approval.

Watchlist Stallions

Stallions on the Watch List were once approved but had an insufficient offspring evaluation due to number of foals sired, keuring or sport results. He was thus was put on a list to 'watch' until the next evaluation period. At the following evaluation period, offspring will be again evaluated and, based on those results, the stallion will either be returned to Approved or revert back to Foalbook. The book designation on his registration paper will not change.

After exportation to North America, the status of KWPN stallions approved cannot change due to having insufficient offspring in Holland. They will retain the status they had upon exportation unless the quality of foals sired in North America is insufficient. Their status would change if they were ever exported back to Holland.

Offspring from Watch List stallions receive Register B papers. If the stallion's approval is reinstated, foals registered during the 'watch' period may be upgraded.

DISCLAIMER *The KWPN of North America makes no claim or guarantee as to the fertility or freedom from disease of any stallion listed in this handbook. The KWPN-NA does not guarantee the accuracy of the information provided by stallion owners for publication in this handbook. All breeding stallions listed in this handbook are required to be tested for Equine Viral Arteritis prior to their initial breeding season. The KWPN-NA assumes no responsibility for any problems caused to any mare utilizing the services of a particular stallion. It is the responsibility of the breeder to verify the EVA test results to their own satisfaction prior to breeding.*

Offspring Statistics

KWPN-NA Offspring (1985 through 2023)

These pages show a report on North American born offspring of Approved and Licensed Stallions

Horses inspected at KWPN keuringen are classified according to the following:

- 1st Premium – Higher than average quality.
- 2nd Premium – Average KWPN quality. Some faults or lack of quality in type, conformation, and/or movement.

When studying these statistics, keep in mind that:

1. Older stallions will have more/older offspring than young or newly imported stallions
2. Many stallions have offspring in areas where not many inspections are held, which of course affects their offspring keuring results.

3. The mares bred/foals registered ratio is not a totally accurate representation of fertility as some foals are registered late, are registered elsewhere or are not registered at all. The numbers in this table are the numbers of foals registered, not born.
4. All stallions have 1st and 2nd Premium offspring. No stallion has exclusively 1st Premium offspring.
5. Stallions have other offspring achievements in breeding, show and sport that listed on their individual page.
6. Mares with ster, keur or elite predicates may actually have been counted two or more times. They would have been marked down as ster in one year and in a later year marked down as keur and/or elite.

Breedings with Imported Frozen KWPN Semen

Frozen semen from Approved KWPN stallions is available in North America. The KWPN-NA does not in any way represent these stallions and all communication regarding these stallions must be directed to the owner or agent. Please contact the owner

or agent to get specific terms and conditions on the sale of semen.

The stallions have been quarantined and have had their semen tested in Holland, but neither the KWPN nor the KWPN-NA makes any claim or guarantee as to the fertility

or freedom from disease (including EVA) of any of these stallions. While every effort has been made to ensure accuracy of information, the KWPN-NA accepts no responsibility for inadvertent errors.

Breeding Advice Ferdeaux is a prepotent stallion whose good qualities are strongly inherited. In particular his canter, which was rated a 9 by the inspectors, comes through to his offspring. Ferdeaux can be expected to add blood, good temperament, movement technique and good use of the hind leg. He is ideally paired with long-lined mares. Ferdeaux is a handsome dark bay, and he is homozygous for black, which means he can produce no chestnut foals.

International Sport Results Ferdeaux campaigned with much success at the top sport level before retiring to full time stud duties. Dutch rider Kirsten Brouwer trained and competed him for the majority of his career. 2015: Reserve Champion of the 2015 PAVO Cup Finals; Ranked 10th in the FEI Final Test for 5-year olds, where he represented the KWPN at the 2015 World Breeding Championship for Young Horses in Verden. He earned an amazing 8.94 for his preliminary go and an 8.14 in the final. 2016: Champion, with an impressive 84 points, of the stallion competition finals in the M level class at 's Hertogenbosch. Eurodressage reported that he particularly impressed with his trot work and front leg usage. 2017: Ranked 11th in the FEI Final Test for 7-year-old horses with a score of 76.35 at the World Breeding Championship for Young Horses (WBCYH) in Ermelo; Qualified for the WBCYH with top scores in the KWPN selection trials, scoring 77.2 and 79.1 in his first two competitions, and winning the third trial by a wide margin, scoring 78.5. 2018: Hans Peter Minderhoud took over Ferdeaux's training. The pair handily won their debut at Prix St. Georges with a 74.1%. 2020: After taking a break for stud duties and to recover from an injury, Ferdeaux returned to competition with Renate van Uyttert. Ferdeaux delivered more success to his new rider with consistent high scores to 76.2% at Prix St. Georges.

Breeding Advice Giovanni showed a uniform collection of well-developed foals. The walk has good scope. The trot is light-footed and has good scope, power and balance. The foals canter easily with hind legs being brought under well. The canter has good scope, power and balance. In dressage horse breeding Giovanni can add movement and can improve on a mare's canter and temperament.

Sport Results in Europe Giovanni was purchased by Ingrid Malan Ockhuisen as a 4-year-old and placed in training by dressage rider Franka Loos. With Franka, Giovanni won the KWPN performance test in 2014 and subsequently performed very well in the PAVO Cup. He ended in 5th place with an 8 for the walk, 9 for the trot, 9.5 for the canter and 9's for both harmony between horse and rider and potential as a dressage horse. The Stallion Competition was also successfully completed with good scores: he won the first leg of the 2017-2018 KWPN Stallion Competition in Ermelo with 84 points. Judge Sanders praised Giovanni's engagement from behind in trot and his power in canter. Giovanni also won the third leg of the 2017-2018 KWPN Stallion Competition with 82 points. In the Summer of 2018, he made his debut as a 7-year-old in the Small Tour. He competed at the World Championship for Young Dressage Horses in 2018 where he achieved a splendid fifth place with a 78.521% score. In 2019, Giovanni and Franka Loos won the Prix St. Georges in Nispen with 69.04%. In 2021, he was ready for the Grand Prix but unfortunately sustained an injury that was rehabbed but he couldn't be competed at the top levels anymore.

Breeding Advice Houdini, aka LT, is a lovely, compact stallion by Diamant de Semilly. Before importation into the United States as a young horse, he successfully completed the 70 day test at Ermelo and was fully approved with KWPN. In Europe he campaigned in the young jumper classes. His sire, Diamant de Semilly needs no introduction as he is currently holds the top spot on the WBFSH Show Jumping Sire Rankings. His dam sire – Emilion, Keur stallion with the KWPN, was likewise successful in both the breeding shed

and in performance, winning several international Grand Prix and World Cup Qualifiers.

Houdini was imported to the US to continue his career in the young jumpers as well as step up into the Junior jumper classes with a teenage rider. LT has a huge step, impeccable ride ability and a fantastic technique that make him a perfect mount for the professional and the junior/amateur alike. His temperament is easy-going and sweet, making him a barn favorite wherever he goes. Houdini's offspring have been competing in Europe, with the oldest offspring in the young jumpers. His daughter, Hadalina Z (ds Gaillard de la Pomme) produced 2023 BWP provisionally-approved stallion, Qatar Tivoli (b. 2020, s. Qatar ter Saleghem). He is currently competing in the AO jumpers and stands at Coruscant Stables in Ocala, Florida.

Breeding Advice The KWPN recommendations say that Jayson can add size, rideability and attitude to dressage horse breeding as well as suppleness, strength and carriage in movement.

Performance Notes Jayson convincingly won his initial Stallion Test and went on to complete the KWPN Short Test in the fall of 2018 earning 9s for rideability and attitude. Jayson placed well in the PAVO Cup Finals and was selected for the 2020 FEI World Championships for Young Horses. In 2024 he made his CDI small tour debut with Charlotte Fry. His first foals have impressed in both Holland and the US with their modern type and strong movement.

Pedigree Information The eye-catching black stallion Jayson has much to offer beyond his good looks. He also has an FEI pedigree filled with top performers that will catch any dressage breeder's attention. His sire is *Johnson* who had an impressive career including the World Equestrian Games, Olympics, and European Championships and he is ranked #2 on the WBFSH Dressage Sire rankings for 2021. Grandsire *Jazz* stands at the top of the KWPN rankings for dressage stallions and is ranked #3 on the WBFSH standings. Jayson's dam, *Zamora B*, has been exceptional producer with two licensed stallions, and Elite and Ster mares. Zamora's oldest offspring *Esperanto* was winner of the USDF Region 1 Intermediate I Open Championship and Reserve Champion at Prix St. Georges in 2021, after making his FEI debut at the CDI* at Dressage at Devon. Jayson's damsire, the revered stallion *Negro*, has proven his reliability as a sire and damsire of many Grand Prix horses.

Sport Results in Europe 2018: Winner of 2017/2018 NRPS Stallion Performance Test, completed KWPN Short-Term Performance Test earning multiple scores of 8 or above and 9's for rideability and attitude, Winner of the PAVO Cup Pre-Selection in Houten and 6th place in PAVO Cup Finals. 2019: Reserve Champion 2018-2019 KWPN Stallion Competition Finals, 11th place in PAVO Cup Finals, Alternate for WBFSH Young Horse Championships. 2020: 4th place in the KWPN Stallion Competition Finals, Selected for WBFSH Young Horse Championships. 2024: CDI debut at Small Tour

Performance Notes Kjento's pedigree, type, powerful gaits, and rideability, have captivated breeders since his approval. He was named Champion of his KWPN Stallion Test, earning no score less than 8.5, five scores of 9, and a 9.5 for his canter. He's finished Reserve Champion at the PAVO Cup Finals, won the World Championships for Young Horses twice, and has been named the KWPN Stallion of the Year. The young stallion is now showing well at the Prix St. Georges/Intermediate level and is training all the Grand Prix work under Olympian Lottie Fry.

Pedigree Information Kjento is by the preferent stallion *Negro*, top sire of FEI Grand Prix horses. Kjento's dam competed through Z-level Dressage, was 3rd at the National Mare Show at 3-years old, and earned an impressive score of 90 at her IBOP. She has 2 approved sons and 9 Ster/Elite daughters. Her sire, *Jazz*, was an International Grand Prix competitor and has one of the strongest records in the world for siring FEI offspring. The Kjento offspring have a wonderful character, strong hindleg, talent for collection, and a natural balance that lends to easy trainability.

Breeding Advice: Koning DG can improve the dressage type. Koning DG can improve rideability and suppleness, uphill tendency and leg technique in walk, trot and canter. Produces foals with super type and good size, complete horses with great temperaments and characters.

Test Report Koning DG is a modern, well developed longlegged stallion, with a good dressage type. Koning has a well shaped neck and well developed withers. His back is somewhat weak, his croupe is well shaped and long. The stance of his legs are correct, with somewhat narrow feet.

Koning DG shows very good rideability, with good balance and posture. His walk is pure, active and athletic with good length of stride. Koning shows good posture in his lightfooted trot with expressive use of his frontleg and sufficient power. His canter is

very well balanced, has good length of stride and uphill tendency with very expressive use of his frontleg.

Koning DG was sired by Bordeaux, who competes at GP level dressage and proves himself with his talented offspring. His dam is a keur mare and received good scores at her studbook entry. His granddam competed at Intermediare 1 level, his greatgrand dam competed at third level.

Pedigree Information The popular *Easy Game* son *Millennium* has already produced several inspection champions in Germany and gets his first approved son in "the low countries" in Lowlands. The mother of Lowlands is *La Donna S*, a daughter of *Donnerball*, who won silver at the World Dressage Horses World Championships at the age of five years old. He performed at the highest level in the sport with Kristina Sprehe. He is a son of the very influential *Donnerball*, a name in the pedigree of dressage horses which is liked to be seen. Thereafter we find the Landgraf I son *Landadel* in the dam line of Lowlands.

Performance Notes Lowlands is a well-developed, appealing stallion with a good rectangular model. The head is appealing. The neck has good length with a correct head-neck connection. The neck is of good shape, more than sufficient in length, more than sufficient in muscling and comes slightly deep out of the chest. The shoulder has good length and a good position. The withers are more than sufficiently developed and have more than sufficient length. The back has good length and muscling. The loins are more than sufficiently muscled and well connected. The croup is slightly sloping, more than sufficient in length and has good muscling. The hamstring has more than sufficient length. The foreleg is correctly positioned. The hindleg is correctly positioned. The fore and hind pasterns are of good length and slightly weak. The foundation is more than sufficiently developed and of good quality. The hooves are well developed, good in shape and of good quality. The heels are correctly developed. Lowlands is an honest, reliable, rider-focused stallion with a very good attitude. The stallion has much to very much willingness to work and is very good to work with. The walk is active, regular and very good in space and flexibility. The trot has good to very good space with a hindleg which is very easy to work with. The canter has a powerful impulsion, has good to very good space and a lot of bearing capacity. Lowlands moves with a good leg technique, a good posture and good balance. Lowlands has much to very much talent for dressage and gives his rider a very good feeling.

Pedigree Information It's rare we see a pedigree as star studded as Nalegro's. Nalegro is sired by Olympic Games, World Equestrian Games, and World Cup competitor *Painted Black*. *Painted Black* was a standout at the FEI levels with a lengthy career at Grand Prix, including 27 career wins in FEI competition under two different riders. *Painted Black* has also proven a star in breeding as well with 15 approved sons to his credit and a number of Grand Prix offspring. *Painted Black* is by the influential stallion *Gribaldi* who has produced numerous FEI horses, as well as notable sires *Totilas* and *Hofrat*. Nalegro's dam is a full sibling to *Valegro*, the Olympic Games, World Equestrian Games, and World Cup Champion. From this same mareline, we also see the licensed stallion *U-Genius*. Nalegro's damsire is the preferent stallion *Negro*, an impressive FEI competitor himself and a proven sire of FEI Grand Prix horses.

KWPN Breeding Designation Approved. 2021:

Walk (2x) 9.00, Trot (2x) 7.50, Canter (2x) 9.00, Elasticity 8.00, Posture and Balance 8.00, Rideability and Attitude 8.00, Talent as a dressage Horse 8.00, Total score 83.00

From his KWPN performance test: "Neil is an honest and reliable stallion with a good attitude. The stallion has a lot of willingness to work and is easy to work with. The walk is pure, very good in scope and has good body-use. The trot is good in terms of tact and more than sufficient in scope. The hind leg is more than sufficiently engaged, however needs to develop further in strength. The canter is powerful, uphill and good in scope. In movement, Neil shows abundant elasticity, a very good posture and a good balance. As a dressage horse, Neil has a lot of talent and he gives his rider a good feeling."

Pedigree Information In premium stallion Neil, two very successful Dutch sport lineages join forces. Neil is a son of *Governor*, the son of the sensational top stallion *Totilas*. *Governor* recently made his successful debut in the international Grand Prix with Adelinde Cornelissen. In Neil, *Governor* has his fourth approved son at the KWPN, thus leaving their mark not only in sport but also in breeding.

The dam of Neil is *Fanita*, a keur IBOP sport(dres) mare by the preferent stallion *Vivaldi*, that stood out at the

inspections and is currently successful in sport. She received 90 points for conformation and 95 points for movement, was sixth at the National Mare Championships and passed her IBOP with an astounding 95 points, including a 10 for trot. She also participated successfully in the Pavo Cup as a four-year-old, she was the undisputed winner. *Fanita* is classified at international Prix St. George-level herself. *Fanita's* dam is the elite preferent prestatie mare *Sarita* (s.*Havidoff*) that competed in Z1 classes herself. Paired with *Vivaldi*, she produced multiple successful sport horses, including the KWPN-approved international Grand Prix-stallion *Desperado*, the international Grand Prix-horse *Chinook* and the Z-level horses *Evita* and *Jazzboy*. She furthermore brought an international Intermediaire I-horse by *Sir Sinclair* and a Z-horse by *Telex*. The damline of Neil continues with the ster mare *Nikita*, a daughter of the preferent top producer *Ferro*. This *Nikita* is the dam of the ZZ-Licht dressage horse *Arwin* (s.*Trento B*).

Stallion Information

Nick of Diamond, a brilliant young

KWPN stallion with a future for the top world stage.

Stunningly gorgeous, talent for the GP, and a character of a true gentleman. Already proving himself in the show ring in Wellington in 2022 in the 4 yr old Young Horse classes, with scores of 88%. He also won champion 4 yr old at the KWPN-NA Keuring with a whopping 83.5%, for all of USA and Canada. In 2023 Nick won Champion Dressage Stallion at the NA Stallion Sport Test at Hilltop Farm with a score of 86.5%.

Pedigree Information

The pedigree speaks loudly, by *Glock's Toto Jr. (Totilas x Desperados)*, one of only 2 NA stallions from him. Out of *Diamant Heroique* who is a top producer of stallions and competition horses in Holland, she's *Johnson x Gribaldi*, and her dam has produced GP horses. Eyes to the future for Nick with owner, Roxanne Christenson, as his trainer and main rider, with the help of world renowned Olympian Robert Dover. Licensed KWPN-NA, AHS, Westfalen, Rhineland, GOV.

Breeding Advice The KWPN recommends O'Frederic to contribute to the blood distribution, improve the walk and the rideability. His first foalcrop was well received in Holland and the US with a particularly impressive front end noted. Under Team Van Olst, we're excited to watch this young stallion develop in both breeding and sport!

Pedigree Information O'Frederic offers a needed pedigree outcross for many Dutch mares. O'Frederic is sired by *For Romance I*, a Grand Prix competitor and well decorated competition horse as a Bundeschampionat qualifier, Burg-Pokal Finalist, and VTV Dressage Stallion of the Year. His production record has been exceptional with over 60 approved stallions to his credit and numerous premium mares. O'Frederic's dam *Riana* is half sibling to the successful Grand Prix horse *Duke of Swing* and by the impressive stallion *Fidertanz*. *Fidertanz* has been recognized for both his sport record up to Grand Prix and his production record with over 400 offspring successful in sport.

Sport Results in Europe 2022: Completed KWPN Stallion Performance Test with highlight scores of 9 for rideability & walk. 2023: Approved Hanoverian, competed in the PAVO Cup Finals for 4-Year Olds. 2024: 6th place at KWPN Stallion Competition L Final and awarded Perfect Pair Prize for most harmonious performance, competed in the PAVO Cup Semi-Finals.

Stallion Information An incredibly proven record as a sire make Olivi a top contender for dressage breeders. Olivi's offspring have earned him the incredibly high Dressage Index of 175 and he has been previously ranked number 2 on the KWPN Sire Rankings and 18th on the WBFSH Dressage Sires list. He has sired many Keur/Elite daughters, two approved sons, and is the damsire for additional licensed stallions. His offspring are consistent winners from the Young Horse classes up through Grand Prix in both Europe and the US.

and add balance and attitude to dressage horse breeding.

Stallion Information The first licensed son of two-time World Champion Kjento! Pjethro's sire Kjento has been in the spotlight from a young age with numerous accolades along the way, including KWPN Stallion Test Champion, Reserve Champion PAVO Cup finish, and World Young Horse Champion as both a 6-year old and 7-year old. Currently showing internationally at Prix St. George and Intermediate I, Kjento continues to show great talent for the future.

Pedigree Information Pjethro's dam is by the popular sire *Desperado* who has been a successful competition horse from the FEI Young Horse classes through Grand Prix, with numerous FEI competitors and licensed sons to his credit including the popular *Ibiza*. The talent for sport in Pjethro's damline is evident. His granddam, by *Houston*, has produced multiple FEI level horses, two international Grand Prix horses, and the licensed stallion *Valeron*.

Breeding Advice The KWPN breeding recommendations say that Powerdale can add breed to the dressage horse breeding and improve the light-footedness and dressage model. This tall, long-lined son of Glamourdale holds much appeal for the breeders and we're excited to see his first foals in 2025.

Pedigree Information A pedigree packed with Grand Prix talent, Powerdale's sire *Glamourdale* is a World Young Horse Champion, and Olympic and World Equestrian Games medalist. His offspring are proving to inherit his talent with multiple offspring being selected for World Young Horse Championships, US National Young Horse Championships, PAVO Cup Finals, and his oldest are debuting at the FEI levels. Powerdale's damsire, *Johnson*, was an Olympic competitor and international Grand Prix horse with an exceptionally strong record for producing international Grand Prix competitors. The anticipated talent for sport is highlighted in Powerdale's damline. His dam *Dancing Girl* has produced a successful Small Tour horse by *Chippendale*, in addition to multiple other Z level competitors. Granddam, *Rosen-Dame* produced the Grand Prix horse *Uptown*.

Sport Results in Europe 2023: Completed the KWPN Stallion Test earning scores of 8.5 for trot elasticity, and posture and balance and a 9.0 for his exceptional canter. 2024: Competed in the PAVO Cup Finals

Breeding Advice Un Heros D'Urano Gouden Bit Z is an exciting young stallion, now offered to the North American market. He is a modern build with quick reflexes and has a good balance of blood for the sport. His temperament both under saddle and in the barn makes him a favourite among riders and grooms alike.

Pedigree Information There is no lack of performance genes for Un Heros D'Urano Gouden Bit Z. Sire *Urano de Cartigny* has earned his stripes at the highest level, including having jumped 1.60m classes at the mere age of 9 years. Grandsire *Chacco-Blue* no longer needs an introduction, nor does great-grandsire *For Pleasure*. Both have revealed their grandeur in both sport and breeding. Dam *Coco Chanelle B Z* (by *Chacco Blue*) is a half-sister of the 1.40m horse *Quantum B Z* (by *Quidam de Revel*). Granddam *First Lady B Z* (by *For Pleasure*) is the full sister of the 1.60m horse *Fair Play B Z*. In addition, she is a half-sister of *Lovely Lady BZ* (by *Lasangos*) that produced the sensational 1.60m horse *Chacco Boy* (by *Chacco Blue*) and the 1.60m horse *Balou's Lady* (by *Baloubetdu Rouet*) of Douglas Lindelow. The 1.60m jumper *Sandorado* (by *Sandro Boy*) also comes out of this lineage.

EVA Test EVA Negative. Tested 2019 and vaccinated annually.

WFFS Tested 2018 N/N (non-carrier)

Breeding Advice Utopie can improve the canter for jumper mares that lack development but do have a good topline.

Pedigree Information Utopie is a light type with correct conformation, 56.4% consolidated Thoroughbred performance blood combining *Ramiro* (*Ramzes AA*) blood on top with TB blood from Dutch toppers *Lucky Boy xx*, *Uppercut xx*, *Tangelo xx*, French blood from *Calvados* (*Ibrahim AA*) and *Rigoletto* (*Ramzes AA*) on the bottom. A masterful accumulation of performance genes. Utopie has successful jumping talent on both sides if his family. Sire *Jacomar* celebrated great success with Marc Houtzager and is one of the top earning Dutch stallions in sport. *Jacomar* successes include ISJ level 1.60m with Marc Houtzager (NLD) 3rd CSI05* 2003 – Nations Cup 2003 Dublin (IRL) (1.60m); 1st CSIO 2002 – Grand Prix 2002 Dublin (IRL). Dam *Pherna* scored one 9 and two 8.5 in the jumping IBOP and has made her international debut. Grand-dam *Cerna*, and five brothers and sisters jumped at Z-level.

Performance Test Report Utopie is quick and has a good take-off. The foreleg folds sufficiently, he

has much suppleness, seems careful and shows much scope. He has much talent for jumping and it seems easy for him.

Breeding Advice Vaandrager HBC seems to improve on the shape of the head, length of the poll and quality of the legs. Additionally he improves on self-carriage (lift in the front) at the trot. Mares should have a long foreleg, good action in front and power behind.

Sport Results in Holland 2008: Winner KWPN Stallion Competition. 2011: 3rd place Oregon Trofee. Has 22 points at Limiet Klasse harness sport.

Sport Results in North America 2012: Imported from Netherlands.

Offsprings' Sport Results in Holland Of his 394 offspring, 13 are in driving competition. He has sired 1 approved son, 24 star mares and 3 keur mares. He showed a uniform collection of sufficiently to well developed, tuig-type foals with good rectangular conformation. The foals rise in the front during the trot. The action of the foreleg varies and foals should develop a little more power from behind. 2010: Son *Doran* ster in Zwolle, daughter *Belendra* 84 points IBOP, *Ballerina* keur 76 points IBOP. 2009: two sons ster in Zwolle, two sons aangewezen. *Baanbreker* reserve champion at Stallion Show. 2008: five 1st premium foals, *Ballerina* 5th for 2-year old fillies at National Harness Horse Day. 2007: Eight 1st premium foals.

KWPN Foalbook Stallions Activated for 2025

Foalbook Stallions Approved with an Erkend Studbook

The stallions that are individually listed on these pages are registered in the KWPN Foalbook but have been approved by a studbook that has been Erkend by the KWPN. In general, foals by these stallions will receive Register A papers and can be accepted into the studbook at age three or older without meeting any further additional requirements.

To qualify for keur or elite status, mares by these stallions must complete any additional requirements not met by their sire.

Note: If you have questions about the registration possibilities and requirements for offspring by these stallions, please visit www.kwpn-na.org or call the KWPN-NA office.

Breeding Advice Tolegro has a friendly, gentle disposition. He has a strong work ethic and is a go-getter in the show ring. He passes on his athleticism, optimal active hind leg usage, and elegant, leggy conformation. Breeders report that their foals inherit his uphill, ground covering paces and a happy, beautiful nature. Tolegro is homozygous for black, which means he can produce no chestnut foals.

Sports Results in Europe Tolegro was bred in Holland and purchased as a foal by German Grand Prix rider Bernadette Brune. At the 2013 Oldenburg Stallion Licensing in Vechta, he impressed the Germans with his outstanding gait dynamics and natural inclination to carry weight on the hindlegs. In 2016 he finished his stallion performance test with a 9.5 for willingness to work and an overall score of 8.06. Tolegro has competed through Prix St. Georges with scores to 69%, and easily schools the movements at Grand Prix. He has been trained and shown up through the levels by his owner Bernadette Brune. His effortless, expressive

movement in highly collected exercises, such as piaffe and pirouette, is reminiscent of his sire Totilas.

Verrichtingsonderzoek – Performance Test

Starting with 750–800 stallions in the first round, a final group of approximately 50–60 stallions is selected from the third ring for the performance test, which is held twice a year—in the spring and the fall. The spring test lasts 70 days and the fall test lasts 50 days. Stallions attending the fall test are expected to have been well started under saddle at home prior arrival at the test. Of the stallions attending the test, about 15–25 stallions pass and become ‘Goedgekeurd’ or Approved.

From 1993–2006

KWPN of North America at WBFSH General Assembly 2024

In October 2024, our Director of Operations, Kelley Stachon, and board member, Kathy Hickerson, represented our organization at the prestigious World Breeding Federation for Sport Horses (WBFSH) General Assembly in Portugal. This gathering brought together the brightest minds in the equine breeding industry, fostering dialogue on the future of genetic advancements, sustainability, and international collaboration.

The event was a unique opportunity for KWPN of North America to share insights, strengthen global partnerships, and continue its mission to support breeders and enhance the quality of Dutch Warmblood horses in North America.
