HARNESS HORSE NEWS

Issue 23 | NOVEMBER 2023

The 2023 DHSA Show Season

The summer shows started off with a few classes at the open house at the beautiful Cazemier Equine Center in Indiana in May and ended with classes at the August KWPN-NA keurings, held at Cazemier Equine Center and Rocky Ridge Stables in Pennsylvania. There was a great group of horses showing this summer, ranging from experienced show horses to rookies just starting out in the show ring. As in 2022, the Year End High Point award was earned by the KWPN Approved sport stallion Globetrotter. He was trained and shown by Ben Fisher and earned enough points through several first and second place finishes throughout the season to earn top honors. Karydientje (Keur) was a close 2nd, with strong performances and good results in harness as well as in hand. She was trained and presented by her owner, Marvin Fisher. Jemarina (Keur Sport) came in 3rd place with multiple wins for driver and trainer, William Duffy III.

This year we were happy to award the Jonker award to 3 horses! This award is achieved when a horse accumulates 100 winning points. The 3 horses that received it were Globetrotter, Jemarina and the KWPN approved Keur stallion Atleet, who was trained and shown by his owner, William Duffy III. Congratulations to all owners, trainers, and show drivers on this award! We have our sights set on next awarding the Atleet award, which is achieved when a horse accumulates 200 winning points. It was a great year with nice horses, and we hope to see everyone in 2024!

FUTURITY RESULTS

The results for the futurity are based off of the keuring scores but only the foals that were entered for the futurity program are placed! If you wish to participate in this program you must fill out a separate entry form, aside from the Keuring entry! The award money comes from the Stallion Service Auction.

2023 KWPN NA FUTURITY

GELDERS FOALS

FIRST PLACE:

Top Tier – 76 (75/77)

Owner/Breeder: Jesse Ray Miller (PA)

X-rays for Stallions To Be Licensed

For a stallion to be KWPN-NA licensed it is required for them to pass x-rays, endoscopic exam, and semen evaluation, based on the KWPN stallion committee's protocol and approval! The reason for a stallion to have clean x-rays is so that the breed can keep a good bone structure and foundation, because that can be a hereditary issue!

It is strongly advised to have the x-rays approved before taking a stallion to the Keuring, as you can then see if it will be worth it to spend the money on training and entries. However it is allowed to wait until after the keuring, but it must be submitted within 30 days of presentation date!
