BRED BY

GEBR. VAN
DOLDER

“We are so excited that a harness horse was able to get this award since the percentage of harness stallions producing offspring is so small compared to other disciplines. Watching his offspring, we knew they had been doing well as foals, but we are happy with how they’re developing as they mature and how they’re dominating in several disciplines. We are pleased that Globetrotter was able to win this award to represent the harness stallions in North America.”
