Big Dreams at Canadream!

What a lovely day at Canadream Farm. A well prepared keuring and a facility with a wonderful atmosphere. We had a keuring with really nice horses, good talks with members and after seeing their nice foals we had a meet-up with KWPN stallions Ferdeaux, Giovanni and Wynton. They are really living their best life in Canada!

A big thank you to MJ and her team for the top organization and the warm welcome.

Stb/Ster 3 Year Old - Dressage Mares

SENSATIONAL DREAM

(Secret x Kandyvrouwe ster keur elig D-OC by Glock's Toto Jr.)

BREEDER / OWNER:

MARIE JOSEE PROULX, DUNVEGAN

An impressive mare that presents herself bigger than her height. She has a very well shaped body, with an expressive forehead. The neck is well muscled and shaped, she has strong connections in the body and a correct foundation.

An active and rhythmic walk, but could be more relaxed with better reach of the frontleg. The trot starts uphill with lots of mechanics and the hindleg is strong. The frontleg has knee and she could give herself a bit more time to finish her strides. The canter has a lot of uphill power and balance with good jump and ground cover.

Stb/Ster 3 Year Old - Dressage Geldings

SKY DREAM

(Jameson RS2 x Endelin E elite IBOP (dr) D-OC by Spielberg)

BREEDER: MARIE JOSEE PROULX,
OWNER: LES ECURIES ELEGANCE SENC

Skydream is well developed with an expressive front. He is longlined with good proportions in his body. The hindleg is slightly bent.

The walk has rhythm but could be a bit more supple. The trot is lightfooted with a nice posture. The hindleg is used correctly but could develop more strength. The canter is active with posture, but the hindleg should develop in power. Elegant in his use of the frontleg.

Stb/Ster 3 Year Old - Jumper Mares

SUMMER BLOOM

(Conthargos x Feather Bloom by Mr. Blue keur)

BREEDER/ OWNER:

BLOOMINGTON FARM, MAXVILLE

A mare with a very appealing model, featuring a well-shaped neck, good withers, and correct musculature. She shows a canter with much balance and ground cover. While jumping, she consistently demonstrates the same quality, with good foreleg technique and finishes the jump correctly behind.

SHONATA BLOOM

(Emerald van't Ruytershof x Flower by Nabab de Reve)

BREEDER/ OWNER:

BLOOMINGTON FARM, MAXVILLE

A very well-developed mare with good connections in the topline and a correct foundation.

While jumping, she shows a great overview, demonstrates carefulness, and excels in scope.

YOUNG HORSES - Foals/ Weanlings - Dressage

VIVACIOUS DREAM

(Glamourdale x Lieve-Belle ster D-OC by De Niro)

BREEDER: MARIE JOSEE PROULX,
OWNER: JANICE GRASSE

A well developed filly with good proportions in her body and a correct foundation. The forehead is expressive with a well shaped and strongly muscled neck. The croup is a bit sloping and rounded. The walk has rythm but could be with more ease and bigger steps. The trot and canter have a lot of technique and balance. She doesnt need speed to show her mechanics and makes a very good posture.

VINKO DREAM

(Vaderland x Kandyvrouwe ster keur elig D-OC by Glock's Toto Jr.)

BREEDER: MARIE JOSEE PROULX,
OWNER: Kylie & Stephen Panciuk

A well developed, and longlegged colt. The neck has a good length and muscles but comes a bit deep from the chest. At the moment the back could be stronger, but he is very correct in the foundation. He moves with a correct walk, technique in the trot, could develop more power in the hindleg. The canter is strong, with power, balance and uphill tendency.

VIRTUALLY A DREAM

(Ferdeaux x Nalivia ster keur elig D-OC by Vivaldi pref)

BREEDER: MARIE JOSEE PROULX,

OWNER: Denise Griffith

Filly that is elegant and longlined. At the moment a bit higher in the hindquarters. Her vertical neck is correctly muscled. An elegant mover with posture, however she could make more connection over the back. She shows good transitions, and technique. Could gain a bit more power.

VIBRANT DREAM

(Wynton pref x Evita elite IBOP (dr)
D-OC by Rhodium)

**BREEDER /OWNER:
MARIE JOSEE PROULX**

A well developed colt with a correct foundation, who at the moment is a bit high in the hindquarters. He has a long, vertical shaped neck. The back could be longer and stronger. The croup is well shaped. His walk is active, but he could drop his poll a bit for more suppleness. The trot has a hindleg that bends, but could come under the body a bit more. The frontleg has a nice technique. He makes an easy transition to the canter, that has jump and a good posture.

Foals/ Weanlings - Jumper

VA VA BLOOM

(Emerald van't Ruytershof x Norma Jean Bloom by Casall)

BREEDER: BLOOMINGTON FARM

OWNER: Maggie Patt Biddle

A filly with a very attractive, refined model and a lot of presence. She stands on a correct foundation and is long-lined. In movement, she impresses with her light-footed, athletic canter, showing excellent adjustability and the ability to carry weight on the hindleg.

VICTORY BLOOM

(Emerald van't Ruytershof x Norma Jean Bloom by Casall)
