From The Road

BRASS STABLES - LEXINGTON, KENTUCKY - 8.30.25

Welcome Back Readers!

Today marks the start of another busy Keuring tour for the **KWPN of North America**, and we hope you will follow along with our Reports from the Road! Sometimes they take a little time to produce, but they are worth the wait!

We are grateful to be able to offer our loyal members the chance to show their horses to the Dutch Jury each year, and we are so thankful to the people behind the scenes that put in hours of work to make this tour happen!

- Our Office staff: Kelley Stachon, Drew Kemerling and Rachel Stevens - Give these ladies a huge round of applause the next time you see them, they work very hard for the members.
- Liz Van Woerden for her on location reporting, social media promotions and arrangements for the professional handlers.
- Our Jury Team: This year we welcome Petro Trommelen to the first tour. He is a KWPN regional Inspector, and is knowledgeable and passionate about both dressage and show jumping horses. He is joined by last year's Ambassador's Award winner Mr. Arie Hamoen for the first tour. Sincere thanks again to Arie for his dedication - having stepped in as a last minute substitution for Bart Henstra who could not make the tour due to a family emergency. We send our support and good wishes to Bart and his family!
- Professional Handlers Marcel van Bruggen, Thijs de Schepper, Miquell Bakker, Janko van de Lageweg for their expert skills!
- Our Keuring Hosts, their staff and volunteers- Thank you for opening up your facilities to us, we recognize it's a lot of work and a big commitment. Without you, we would not have a successful tour.
