### ***Fall in Pennsylvania - Iron Spring Farm***

It is always a pleasure to be at Iron Spring, especially this year it was a special feeling to be back at the main farm and to also see the stallions presented.

This is a top facility, with excellent preparation, well organized and the best team to ensure a great Keuring! The horses showed really well in the great atmosphere.

## Stb/Ster 3 Year Old - Dressage Mares

### **SENSATION ISF**

(Vivaldi pref x Beaumonde by Bordeaux pref)

**BREEDER:** Noortje Radstake Trainings- en Handelsstal, Voorst, NL

**OWNER:** IRON SPRING FARM, INC.

An elegant, longlined mare. Her neck has a good length and shape, and her face has a nice expression. The foundation fits the horse and is correct, however the back could be a bit stronger. The walk is active, with rhythm and power. The trot has technique and power; the hindleg is carrying and the frontleg has a good technique. Her canter has ground cover and jump, but a little difference between left and right. She could use her back more, but she moves uphill. Congrats to this new Ster, Keur Eligible mare!

## Stb/Ster 4- 7 Year Old - Dressage Mares

### **PRIMABRIA DG**

(L Primo DG PROK D-OC x Bolimbria DG ster D-OC by Sandro Hit)

**BREEDER:** DG BAR BREEDERS, INC.

**OWNER:** SUSAN GRAHAM WHITE

A well developed mare with a good body with a sufficiently shaped front that improved in use. The hindleg is a bit bent. The walk is in rhythm and marching and shows enough overstep. The trot is supple and easy, but could be more powerful. The canter is balanced and could be a bit more through, but the body but shows technique. Congratulations to this new ster mare!

### **NALA BDL**

(Vitalis x Heavenly ISF ster by UB 40 keur)

**BREEDER/ OWNER:**  
**BURNS DRESSAGE LLC**

**Nala BDL** is a mare that has a strong body but could have had a bit more length in all parts. Her neck is a bit short, yet well muscled. Her topline is correct, however the hindleg is a bit bent, and the feet could be more equal. A mare with a good uphill tendency. Her walk is active but could show more overstep. She has an elegant and balanced trot. She moves uphill but the hindleg could show more reflexes. The canter is balanced with groundcover. Congrats to this new ster mare!

## **YOUNG HORSES - Foals/ Weanlings - Dressage**

### **VALOUR ISF**

(Kaiman x Fienna ster D-OC by Sir Sinclair keur D-OC)

**BREEDER/ OWNER:**  
**IRON SPRING FARM, INC.**

A well developed colt foal with a good shaped and muscled front. Correct in the foundation, but the back could be a bit stronger. This foal moves uphill with a nice posture. His walk is active with a good, rhythm and ground cover. The trot has technique with a hindleg that bends well but could swing a bit further under his body. The canter has jump and balance.

### **VALENTINE ISF**

(Kaiman x Zabrina ISF by Tjalbert 460)

#### **BREEDER/ OWNER:**

**IRON SPRING FARM, INC.**

An elegant and strongly built foal with a lot of expression. She has a good topline. Her walk is active with enough groundcover, the trot has mechanics, is uphill. Her hindleg could swing a bit more through and create more airtime. The canter is active, but could improve in balance.

### **VAN HALEN DR**

(Gaudi x North Star by Negro pref)

#### **BREEDER/ OWNER: LISA DESROSIER**

A longlined foal with good development. A Good topline but the neck comes a bit deep from the chest. At the moment, the hindleg is a bit long. The walk is active with enough overstep. The trot starts right away and is nicely uphill. The hindleg is a bit long, but the trot shows a lot of suppleness. The canter has a good hindleg with jump, it shows balance and technique.

### **VENDETTA ISF**

(Secret x Novica HI by Dom HI)

#### **BREEDER/ OWNER:**

**IRON SPRING FARM, INC.**

A colt that is suitably developed for his age. A good shoulder and wither but the neck comes a bit deep from the chest and the feet are a bit narrow but correct. The walk is active, but sometimes a bit hurried. The trot has swing and is elegant with a front leg that has a lot of reach. The canter has ground cover, balance and a nice technique .

### **VIBRANCE WSH**

(V Power x Baretta Woods 121 by Bretton Woods)

**BREEDER/OWNER: RACHEL LAUFER**

An elegant and long legged foal with a really nice face and expression. The body is good in proportions. The pastern are a bit long, but correct. She moves with suppleness. Her trot has a hindleg that bends but that needs to gain in balance to stay consistent. The canter shows enough ground cover.

## **Foals / Weanlings - Jumper**

### **VOYAGER STG**

(Ermitage Kalone x Cascara II by Cascari)

**BREEDER: DEBBY STERLING**

**OWNER: DIANE R. HALPIN**

A well developed foal with plenty of expression, long-lined and showing good length at the withers. The pasterns are slightly weak, and the foundation appears lean. The walk is correct in rhythm, while the trot is supple with a natural tendency towards self-carriage. The canter is light footed with sufficient scope. Today, the foal showed some tension and could benefit from letting go more in relaxation. High score Young Jumper, Congrats!

### **VITRUVIUS STG**

(Heartbreaker pref x  
Barca keur sport (sp) by Cartano)

**BREEDER: DEBBY STERLING**

**OWNER: LAUREN COLLINS**

What a wonderful type! A long lined colt with a well muscled neck and a strong topline. The shoulder is well placed, while the foundation appears somewhat fine. In the walk, he shows activity and a good rhythm. The trot has good scope, though the hindleg could be more connected underneath the body. The canter is active, but could show more body use and overall strength.

## **Yearlings - Dressage**

### **UPTOWN GIRL WRF**

(Pharaoh DG PROK D-OC x Grand Jewel WRF by Uphill)

**BREEDER /OWNER : JUDY REGGIO**

**Uptown Girl WRF** is already a really tall yearling, with a strong body. She has a well shaped front, but her hindleg is a bit bent. She has a walk that has rythm and is powerful. Her trot also has a lot of power, and a good balance. Her canter is uphill with a good jump. She is a young horse with a nice silhouette. High Score young Dressage, and also Keuring High Score, Congratulations!

## IBOP & DG Bar Cup for 3 YO - Dressage

### S LORD JERSEYDALE

(Lord Leatherdale x Voque by Negro pref)

**BREEDER: RACHEAL MCKINNEY**

**OWNER: LAUREN CHUMLEY**

Well developed stallion that has good length and a strong body. He could be a bit more youthful in his type. The neck is of good length and shape and he has a good topline. The hindleg is a bit long and the front feet could be more equal. Presented under the saddle; the walk is active, and directly in rhythm after the transition but could be a bit more supple. Trot has balance, the hindleg needs more carrying power, especially in the extensions. The frontleg has mechanics. His canter doesn't need speed, it's expressive with an uphill jump and good technique. A stallion that showed such a steady and good test, he earns a 9 for rideability! We had to remind ourselves that he is just a three year old. He passes his IBOP with a score of 79.5, and earns his Ster, Congrats!

Our Compliments for the rider Lauren as well!

## SEMPITERNAL DREAM

(Wynton pref x Energy ster keur elig PROK D-OC by Special D)

**BREEDER : MJ PROULX**

**OWNER: LAUREN CHUMLEY**

She is longlined with good proportions in the body. The neck is good of length and shape. A good topline and a correct foundation. Presented under the saddle, she could be a bit more developed. The walk is active with rhythm and enough overstep. The trot has an active hindleg that is placed underneath the body. She needs strength for more carrying power and airtime. Her canter is balanced, with nice posture. The hindleg has a good technique and the frontleg could have more shoulder freedom. She shows balance and a nice posture. Makes good transitions and is super focused on the rider. Congrats to this new IBOP, Ster mare!

## DG Bar Cup - 8 YO and Older - Dressage

**MASTERFUL DREAM** ster IBOP (dr) sport (dr)  
(Everdale x Zsa Zsa ster D-OC by Jazz pref)

**BREEDER: MARIE JOSEE PROULX**

**OWNER: LAUREN CHUMLEY**

How fun it has been to see this horse develop over the years! He is a horse with a lot of power, and possibilities. The walk is a 9, it's really good with a lot of power, overtrack and steadiness in the rhythm. The trot had a lot of mechanics and possibilities. Shows reflexes but could be more supple and swinging. The canter has a powerful hindleg and good technique. He is still searching a bit how to stabilize the power in the hindleg and to stay supple and stable in the connection. A very good score of 81 today in the DG Bar Cup, Congrats!
