## *From The Road*

LE BONHEUR EQUESTRIAN, CHATSWORTH, GA USA - 9.18.25

### *Georgia on our minds-*

Today we visit again with Le Bonheur Equestrian, located at the stunning Chatsworth Stud facility, in the mountains of North Georgia. This is a setting with wonderful surroundings.

Our keuring was on the smaller side, and so we had a nice relaxed event, with time to visit and have nice talks with the owners.

We ended the morning with a nice lunch.  
Thank you to our host, Daniel Sarango!

## Stb/Ster 4-to-7 Years - Dressage Mares

### PARLEY DKF

(De Niro x Floor Norp by Spielberg)

**BREEDER / OWNER:**

**LAUREN GRIFFIN-KRAMER**

**Parley DKF** is a longlined mare with a long neck that could be shaped a bit more vertically. Her topline is strong, with withers that are well developed and connected. Her foundation has enough correctness. In total, her movement could be a bit more uphill, however the walk is active with rhythm and enough overstep. The trot is lightfooted with a hindleg that moves in the right direction. The canter has balance and enough ground cover.

## Stb/Ster 8 and Older - Dressage Mares

### FLOOR NORP

(Spielberg X Alamara by Sandreo)

**BREEDER:** G. JANSMAN, Apeldoorn NL

**OWNER:** LAUREN GRIFFIN-KRAMER

A longlined mare with a beautiful expression, her neck has a good shape and muscling. The foundation shows correctness, however the back could be stronger. The walk is active but could show more use of the body. The trot has a good rhythm and an elegant use of the frontleg. In trot she shows a hindleg that bends and that comes underneath the body but it could be more uphill. The canter shows easy transitions and balance. It could be a bit more supple but shows enough ground cover.

## YOUNG HORSES - Foals/ Weanlings - Dressage

### VERSTANCE

(Dannebrog x EUB Snickers WW by UB 40 keur)

**BREEDER/ OWNER: JANEVA COLE**

An elegant foal with a fitting development. This colt is longlined with a good length in the neck. His topline is well developed and strong. The walk has rythm, a good supplenes and ground cover. The trot shows technique and activity, but could improve a bit in supplenes and airtime. The canter has jump and shows a good balance. High score young Dressage, and Keuring, Congratulations!

## Foals/ Weanlings - Jumper

### VENLI

(Jack Daniels EB x G G's Got the Goods xx by Goods xx)

**BREEDER/ OWNER: KAYLA KIRSCH**

A filly that is long lined and suitably developed for her age. At the moment, the body direction is a bit downhill. The foundation is correct, although she could have a bit more bone. She moves with ground cover and balance, and has technique. She could show a bit more suppleness in all three gaits.
