Today we travel to the beautiful state of New Hampshire, to judge one last keuring at Shooting Star Farm. With a big smile and a tear we enjoyed the day. A big thanks to Scot Tolman for organizing this event and the warm welcome. It was a warm welcome like always.

The members were treated with a wonderful lunch and a final meet and greet with Gaudi before he leaves for his new home in Canada.

Stb/Ster 3 Year Old - Dressage Mares

SHRI LENTE

(Gaudi x Ade Lente IBOP by Freestyle)

BREEDER / OWNER: LEAH JAMIESON

A long-lined mare with enough development and a nice female appearance. The neck is well shaped and muscled. At the moment she is a bit higher in the hindquarters. Could have a bit more quality in the foundation for higher marks.

The Walk is in rhythm and active, but she could make bigger steps. Her trot has power and balance and she doesn't need the speed to show mechanics. She makes a really good posture. The canter is active, but could have a bit more airtime to finish the strides better. She earns the predicate ster today, Congrats!

SOFIA LOREN SSF

(Jaleet x Gazania keur IBOP (dr) by Bon Bravour)

BREEDER : CARROLL & CAROL TOLMAN

OWNER: KATHERINE BRUCE

A long-lined mare with enough development and a good shaped forehand, yet a bit short legged. The back could be a bit stronger, the croup is well positioned and good of length. Correct in the foundation. Her walk is active, but could have a bit more groundcover. Her light footed trot shows a hindleg coming correctly under the body, but can develop more power. Shows an elegant use of the front leg and makes easy transitions to the canter, which has enough jump and balance. Her back could be a bit more supple. Congrats to this new ster mare!

Stb/Ster 4-to-7 Years - Dressage Mares

REGALITES SSF

(Jovian D-OC x Galearites SSF elite IBOP (dr) D-OC by Totilas)

BREEDER: CARROLL & CAROL TOLMAN

OWNER: Colleen and Brian Rull

A well developed mare with appropriate proportions, but could use a little more length overall. The neck is well shaped, with a light head-neck connection and good muscling. The topline is well formed, and the hind legs are slightly bent. The walk is active but could show more overstep. The trot is uphill, with power in the hind legs. We would like to see a bit more use of the back for higher points. The canter is good, with plenty of balance and a powerful jump. She demonstrates good leg technique and doesn't need speed for self-carriage. Congrats for this new ster, keur eligible mare!

YOUNG HORSES - Foals/ Weanlings - Dressage

VOODOO RANGER SSF

(Jaleet x Bowendy pref prest by Sir Sinclair keur D-OC)

BREEDER/ OWNER:

CARROLL & CAROL TOLMAN

A Charismatic showboy with a great presence. He is well developed and has a remarkably well formed neck. The back is a bit weak but improves significantly with movement. He has a correct but somewhat fine base. He walks with scope and uses his body, and the trot is very easy. He has excellent leg movement and transitional ability. The canter is expressive and well-balanced. High Score young Dressage horse, Congratulations!

VON VIVANT SSF

(Gaudi x Olympites SSF elite IBOP (dr)
D-OC by Secret)

BREEDER: CARROLL & CAROL TOLMAN

OWNER: DAVID & JESSICA RISING

An Elegant foal with a strong breed presence. He has a well developed forehead and long lines. His foundation is sound. He moves with ease, has good leg technique at the trot, and doesn't need speed. His canter has good groundcover and good use of the foreleg, also shows easy transitions.

VAN HALEN SSF

(Damaschino FRH x Penelope ster PROK
by Jaleet)

BREEDER/ OWNER:

CARROLL & CAROL TOLMAN

He is well developed, long lined with plenty of presence and a well-formed front. The walk is active. The trot is uphill with technique, with a slightly long hind leg. The canter has plenty of jump and shifts easily.

VALORITES SSF

(Premier SSF PROK D-OC x
Regalites SSF by Jovian D-OC)

BREEDER: CARROLL & CAROL TOLMAN

OWNER: CARROLL TOLMAN

A long lined and well developed filly, her neck is of good length, and she is strong in the topline. The hind leg is a bit long. The walk has good ground cover, the trot is uphill with schwing. The hind leg is slightly long. The canter has plenty of scope and carrying power in the turn.

Yearlings - Dressage

UPHORITES SSF

(Premier SSF PROK D-OC x Galarites SSF elite IBOP (dr) D-OC by Totilas)

BREEDER: CARROLL & CAROL TOLMAN

OWNER: Deb Matuszko

A very big yearling, with a lot of presence and appearance. Longlined with good proportions, however the frontleg is slightly toed out.

The walk is correct with activity and groundcover. Her trot is a highlight with technique, uphill tendency and cadence. The canter has a lot of jump and shows technique. She could be slightly more through the body.
